Abstract: The United States Secretary of Education (Secretary) is required by law to publish a list of nationally-recognized accrediting agencies that have been determined to be reliable authorities regarding the quality of education or training offered by the institutions or programs they accredit. In determining whether a specific agency should be recognized, the Secretary evaluates the submission for compliance with the Criteria for Recognition contained in regulations. The collection of information is necessary for the Secretary to evaluate and monitor the continued compliance with the criteria during any period of recognition granted. This collection is submitted due to the approaching end of the 3 year approval period. There is a change in burden hours for the following reasons. The number of accrediting agencies/organizations submitting documentation increased. Two additional accrediting agencies submitted initial petitions for recognition and supporting documentation, one additional foreign veterinary accrediting agency and two additional accrediting organizations communicated their intent to submit an initial application. Department staff consulted with seven accrediting agencies and organizations and determined that a new evaluation of burden hours was necessary.

Dated: December 20, 2018.
