The Agriculture Subcommittee reports to the Equity Commission and provides recommendations on issues of concern related to agriculture. The Rural Community Economic Development Subcommittee (RCED) also reports to the Equity Commission and is focused on issues related to rural community prosperity. The Equity Commission delivered an interim report and provided actionable recommendations in February 2023. A final report will be completed by winter of 2024.

Meeting Agenda: The agenda items may include, but are not limited to, welcome and introductions; administrative matters; introduction and presentation of the Agriculture Subcommittee and Rural Community Economic Development Subcommittee recommendations; and deliberations and voting of recommendations to be included in the final report.
