BILLING CODE 6210-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office For Civil Rights; Privacy Act of 1974; Amended System of Records

ACTION: Notice of modified or altered System of Records (SOR).

SUMMARY: In accordance with the Privacy Act, we are proposing to modify or alter an existing SOR, "Program Information Management System (PIMS)," System No. 09-90-0052, published at 67 FR 57011, September 6, 2002.

First, we propose to add a new authority, the Patient Safety and Quality Improvement Act of 2005 (Patient Safety Act), to those under which OCR collects information. The Secretary of HHS has delegated to OCR the authority to enforce the confidentiality provisions of that statute.

Second, we propose a new routine use which allows referrals of Age Discrimination Act Complaints to the Federal Mediation and Conciliation Service (FMCS), for purposes of mediation.

Third, we give notice of a new routine use permitting disclosure of records to student volunteers, individuals working under a personal services contract, and other individuals performing functions for the Department but technically not having the status of OCR employees, if they need access to the records in order to perform their assigned agency functions. OCR invites interested parties to submit comments on the proposed additional authority and routine uses. See Effective Dates section for comment period.

EFFECTIVE DATES: OCR filed a modified system report with the Chair of the House Committee on Government Reform and Oversight, the Chair of the Senate Committee on Homeland Security and Governmental Affairs, and the Administrator, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) February 15, 2007. To ensure that all parties have adequate time in which to comment, the modified SOR, including routine uses, will become effective 40

days from the publication of the notice, or from the date it was submitted to OMB and the Congress, whichever is later, unless OCR receives comments that require alterations to this notice.

ADDRESSES: The public should address comments regarding: FMCS referrals to Richard Lopez, Civil Rights Division, the Patient Safety Act to Linda Sanches, Privacy Division, student volunteers to Sheila D. Marshall, of the Management Operations Division, Office for Civil Rights, Department of Health and Human Services, Room 553E, Hubert H. Humphrey Building, 200 Independence Avenue, SW., Washington, DC 20201. Comments also may be sent via e-mail to OCRmail@hhs.gov. Comments received will be available for review at this location, by appointment, during regular business hours, Monday through Friday from 9 a.m.-3 p.m., Eastern Standard Time.

FOR FURTHER INFORMATION CONTACT: For further information regarding FMCS referrals contact Richard Lopez, Civil Rights Division, telephone number (202) 260-1602, the Patient Safety Act contact Linda Sanches, Privacy Division, telephone number (202) 260-7106, student volunteers contact Sheila D. Marshall, of the Management Operations Division, telephone number (202) 619-2742, Office for Civil Rights, Department of Health and Human Services, Room 553E, Hubert H. Humphrey Building, 200 Independence Avenue, SW., Washington, DC 20201.

SUPPLEMENTARY INFORMATION: The system of records (i.e., PIMS) described in the OCR's September 6, 2002 Privacy Act notice is used by OCR staff and consists of an electronic repository of information and documents, and supplementary paper document files. PIMS effectively combined and replaced OCR's two previous systems of records, (CIMS and the Complaint File and Log), into a single integrated system with enhanced electronic storage, retrieval and tracking capacities. While the types of information collected and stored in PIMS is the same as the information collected in CIMS and the Complaint File and Log, PIMS allows OCR to manage more effectively the information that it does collect.

The Privacy Act permits the OCR to disclose information or records pertaining to an individual without that individual's consent if the information is to be used for a purpose that is compatible with the purpose(s) for which the information was collected, 5 U.S.C. 552a (b) (3). Any such disclosure is known as a "routine use." This modified notice identifies two new routine uses for the OCR's system of
