SUPPLEMENTARY INFORMATION:

I. Background

OSHA intends to re-charter MACOSH for another two years. MACOSH was established to advise the Secretary on various issues pertaining to providing safe and healthful employment in the maritime industries. The Secretary consults with MACOSH on various related subjects, including: ways to increase the effectiveness of safety and health regulations that apply to the maritime industries, injury and illness prevention, the use of stakeholder partnerships to improve training and outreach initiatives, and to increase the national dialogue on occupational safety and health. In addition, MACOSH provides advice on enforcement initiatives that will help improve the working conditions and the safety and health of men and women employed in the maritime industry.

II. Nominations

OSHA is looking for MACOSH members who have a strong interest in the safety and health of workers in the maritime industry. The Agency is looking for nominees to represent the following interests and categories; employees, employers, State or Federal safety and health organizations, professional organizations, and national standards setting groups.

OSHA seeks a broad-based and diverse membership for MACOSH. Nominations of women and minorities are encouraged. Nominations of new members or renominations of former or current members will be accepted in all categories of membership. Interested persons may nominate themselves or may submit the name of another person who they believe to be interested in and qualified to serve on MACOSH. Nominations may also be submitted by organizations from one of the categories listed above. Nominations should include the name, address, and telephone number of the candidate. Each nomination should include a summary of the candidate's training or experience relating to safety and health in the maritime industry and the interest the candidate represents. In addition to listing the candidate's qualifications to serve on the committee, each nomination should state that the person consents to the nomination and acknowledges the responsibilities of serving on MACOSH.

The Meeting is open to the public and will begin at 9 a.m. on July 14 and end at approximately 4:45 p.m.

Agenda items will include updates on activities of both the Occupational Safety and Health Administration (OSHA) and the National Institute for Occupational Safety and Health (NIOSH), as well as follow-up reports from OSHA/NIOSH staff regarding NACOSH workgroups. Presentations will also be made on the following subjects: National Occupational Research Agenda, Enforcement Update, Alliances and Partnerships, and Standards Update.

Any such submissions received prior to the meeting will be provided to the members of the committee and will be included in the record of the meeting. Because of the need to cover a wide variety of subjects in a short period of time, there is usually insufficient time on the agenda for members of the public to address the committee orally. However, any such

requests will be considered by the Chair who will determine whether or not time permits. Any request to make an oral presentation should state the amount of time desired, the capacity in which the person would appear, and a brief outline of the content of the presentation. Individuals with disabilities who need special accommodations should contact Veneta Chatmon (phone: 202-693-1912; fax: 202-693-1634) one week before the meeting.

An official record of the meeting will be available for public inspection in the OSHA Technical Data Center (TDC) located in Room N2625 at the Department of Labor Building (202-693-2350).
