SUPPLEMENTARY INFORMATION: This Information Collection Request (ICR) is necessary to carry out the Department's functions under the Immigration and Nationality Act, sections 101, 214(c), and 218. This ICR is authorized by Wagner-Peyser Act, Section 9 (29 U.S.C. 49(i)). The Department, under the foreign labor certification programs administered by ETA, provides funds for State Workforce Agencies (SWAs) through annually reimbursable grants. These grants fund certain activities that support the processing of applications for temporary labor certification filed by U.S. employers seeking to hire foreign workers in the H-2B or H-2A visa categories to perform non-agricultural or agricultural services or labor. The Department requires SWAs to report their workloads related to these activities on a quarterly basis to effectively monitor the administration of foreign labor certification activities. This collection of information is conducted through Form ETA-9127, Foreign Labor Certification Quarterly Activity Report, to ensure accountability and for future program management. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on December 16, 2021 (86 FR 71524).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
