Synopsis of the Report and Order

In the Fifth Report and Order in CC Docket No. 95-155, we resolve outstanding issues raised in the toll free number rulemaking proceeding related to the propriety of Database Service Management Inc. (DSMI) serving as the administrator of the toll free number database.¹ We approve the recommendation of the North American Numbering Council (NANC) that DSMI continue to serve as the administrator of the toll free number database system, referred to as the SMS/800 system, at this time. We find that DSMI is an impartial administrator under section 251(e)(1) of the Communications Act. We also direct the NANC to provide recommendations on restructuring the ownership and operation of the current system of toll free number administration within 180 days of the effective date of this Order.

Ordering Clause

Pursuant to sections 1, 4(i), and 251 of the Communications Act of 1934, as amended, 47 U.S.C. 151, 154(i), and 251, that the Fifth Report and Order in CC Docket 95-155 is hereby adopted.
