

According to Florida statute, “A practitioner, in good faith and in the course of his or her professional practice only, may prescribe, administer, dispense, mix, or otherwise prepare a controlled substance.” Fla. Stat. 893.05(1)(a) (2022). Further, a “practitioner” as defined by Florida statute includes “a physician assistant licensed under chapter 458 or 459.”³ *Id.* at 893.02(23).

Here, the undisputed evidence in the record is that Respondent is not currently a licensed practitioner in Florida, and a physician assistant must be a licensed practitioner to dispense a controlled substance in Florida. Thus, because Respondent lacks authority to handle controlled substances in Florida, Respondent is not eligible to maintain a DEA registration based in Florida. Accordingly, the Agency will order that Respondent’s DEA registration be revoked.

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 824(a), I hereby revoke DEA Certificate of Registration No. MD4826915 issued to Adley Dasilva, P.A. Further, pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823(f), I hereby deny any pending applications of Adley Dasilva, P.A., to renew or modify this registration, as well as any other pending application of Adley Dasilva, P.A., for additional registration in Florida. This Order is effective December 19, 2022.

Signing Authority

This document of the Drug Enforcement Administration was signed on November 9, 2022, by Administrator Anne Milgram. That document with the original signature and date is maintained by DEA. For administrative purposes only, and in compliance with requirements of the Office of the Federal Register, the undersigned DEA Federal Register Liaison Officer has been authorized to sign and submit the document in electronic format for publication, as an official document of DEA. This administrative process in no way alters the legal effect of this document upon publication in the **Federal Register**.

LEGAL SERVICES CORPORATION

Pro Bono Innovation Fund Process for Submitting Pre-Applications for 2023 Grants

AGENCY: Legal Services Corporation.

ACTION: Notice.

SUMMARY: The Legal Services Corporation (LSC) issues this Notice describing the conditions for submitting a Pre-Application for 2023 Pro Bono Innovation Fund grants.

DATES: Pre-applications must be submitted by 11:59 p.m. EST on Friday, January 27, 2023.

ADDRESSES: Letters of Intent must be submitted electronically at <http://lscgrants.lsc.gov>.

FOR FURTHER INFORMATION CONTACT: Mytrang Nguyen, Program Counsel, Office of Program Performance, Legal Services Corporation, 3333 K Street NW, Washington, DC 20007; (202) 295–1564 or nguyenm@lsc.gov.

SUPPLEMENTARY INFORMATION:

I. Introduction

Since 2014, Congress has provided an annual appropriation to LSC “for a Pro Bono Innovation Fund.” *See, e.g.,*

Consolidated Appropriations Act, 2017, Public Law 115–31, 131 Stat. 135 (2017). LSC requested these funds for grants to “develop, test, and replicate innovative pro bono efforts that can enable LSC grantees to expand clients’ access to high quality legal assistance.” LSC Budget Request, Fiscal Year 2014 at 26 (2013). The grants must involve innovations that are either “new ideas” or “new applications of existing best practices.” *Id.* Each grant would “either serve as a model for other legal services providers to follow or effectively replicate a prior innovation. *Id.* The Senate Appropriations Committee explained that these funds “will support innovative projects that promote and enhance pro bono initiatives throughout the Nation,” and the House Appropriations Committee directed LSC “to increase the involvement of private attorneys in the delivery of legal services to [LSC-eligible] clients.” Senate Report 114–239 at 123 (2016), House Report 113–448 at 85 (2014).

Since its inception, the Pro Bono Innovation Fund has advanced LSC’s goal of increasing the quantity and quality of legal services by funding projects that more efficiently and effectively involve pro bono volunteers in serving the critical unmet legal needs of LSC-eligible clients. In 2017, LSC built on these successes by creating three funding categories to better focus on innovations serving unmet and well-defined client needs (Project Grants), on building comprehensive and effective pro bono programs through new applications of existing best practices (Transformation Grants), and on providing continued development support for the most promising innovations (Sustainability Grants). In 2021, LSC created Non-Direct Service Project Grants to fund organizations to develop and implement innovative solutions to pro bono challenges that do not involve providing direct legal services to clients. In 2022, LSC created a new funding category to provide organizations with resources to plan and establish a strong foundation (Planning Grants). Planning Grants will be available on a pilot basis in the 2023 funding cycle to select organizations.

II. Funding Opportunities Information

A. Eligible Applicants

To be eligible for the Pro Bono Innovation Fund’s Project, Sustainability, and Transformation grants, Applicants must be current grantees of LSC Basic Field-General, Basic Field-Migrant, or Basic Field-Native American grants. In addition, Sustainability Grant Applicants must
