#### Twin Cities Hydro LLC; Notice of Issuance of Order

February 7, 2008.

Twin Cities Hydro LLC (Twin Cities) filed an application for market-based rate authority, with an accompanying

tariff. The proposed market-based rate tariff provides for the sale of energy, capacity and ancillary services at market-based rates. Absent a request to be heard in opposition to such blanket approvals by the deadline above, Twin Cities is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Twin Cities, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Twin Cities' issuance of securities or assumptions of liability.
