SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the OFCCP Recordkeeping Requirements—29 U.S.C. 793, Section 503 of the Rehabilitation Act of 1973, as Amended information collection. OFCCP administers and enforces Executive Order 11246, section 503 of the Rehabilitation Act (section 503), and the Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA), and their implementing regulations. Collectively, these laws require federal contractors to take affirmative action and not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran.

Additionally, Executive Order 11246 prohibits a contractor from discharging or otherwise discriminating against applicants or employees who inquire about, discuss or disclose their compensation or that of others, subject to certain limitations. This information collection request covers the recordkeeping and third party disclosure requirements for Section 503 and VEVRAA. OFCCP is not proposing to collect new information with this renewal. Section 503 prohibits employment discrimination against applicants and employees because of physical or mental disability and requires affirmative action to ensure that persons are treated without regard to disability. Section 503 applies to Federal contractors and subcontractors with contracts in excess of \$15,000.1 VEVRAA prohibits employment discrimination against protected veterans and requires affirmative action to ensure that persons are treated without regard to their status as a protected veteran. VEVRAA applies to Federal contractors and subcontractors with contracts of \$150,000 or more.¹

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Title 29 CFR part 29—Labor Standards for the Registration of Apprenticeship Program. Title 29 CFR 29 sets forth labor standards to safeguard the welfare of apprentices and to extend the application of such standards by prescribing policies and procedures concerning registration of apprenticeship. This information collection, ETA 671, has two sections: The first records the sponsor's information and the second is for the apprentice's information, filled out by the sponsor based on employment records. The submission is reviewed and signed by the state agency/Office of Apprenticeship. The information is collected on a one-time basis. This information collection is a revision, because the annual burden for this information collection increased from 22,158 hours to 32,399, which OMB approved until January 31, 2020. The burden hours have increased due to an increase in the total number of responses (i.e., apprentice and program counts). The number of responses has increased by 221,210 (from 239,720 to 451,930).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205–0223. The current approval is scheduled to expire on January 31, 2020; however,
