ADDRESSES: This meeting will be held via webinar and connection and agenda information will be posted at the MAFMC's website: <https://www.mafmc.org/council-events>.

FOR FURTHER INFORMATION CONTACT: Christopher M. Moore, Ph.D., Executive Director, Mid-Atlantic Fishery Management Council, telephone: (302) 526-5255.

SUPPLEMENTARY INFORMATION: This is a Council-hosted eVTR question and answer session open to the public and targeted towards commercial operators. Beginning on November 10, 2021, all commercial vessels with federal permits for species managed by the Mid-Atlantic or New England Council will be required to submit vessel trip reports (VTRs) electronically as eVTRs within 48 hours of the end of a trip (unless required sooner as with some sector allocations). This action does not change any other existing requirements associated with VTRs. These changes were recommended by the MAFMC and NEFMC in order to increase the timeliness and availability of data submitted through VTRs, reduce the reporting burden on commercial vessel operators, and increase the accuracy and quality of data. This meeting follows multiple Council held training workshops and will act as an opportunity for follow up questions

regarding using an approved eVTR software application.
