The meeting is open to the public, and anyone may attend. The NRC will publish notices for other postponed and rescheduled Waste Confidence public meetings as soon as practicable.

The NRC staff will receive comments from the public during the comment-period portion of the meeting. The public meeting will be transcribed and will include: (1) a presentation on the contents of the DGEIS and proposed Waste Confidence rule; and (2) the opportunity for government agencies, organizations, and individuals to provide comments on the DGEIS and proposed rule. No oral comments on the DGEIS or proposed Waste Confidence rule will be accepted during the pre-meeting, open-house session. To be considered, oral comments must be presented during the transcribed portion of the public meeting. The NRC staff will also accept written comments at any time during the public meeting.

Persons may pre-register to present oral comments by calling 301–287–9392 or by emailing WCRegistration@nrc.gov no later than 3 days prior to the meeting. Members of the public may also register in-person to provide oral comments at the meeting. Individual oral comments may be limited by the time available, depending on the number of people who register.

If special equipment or accommodations are needed to attend or present information at the public meeting, then the need should be brought to the NRC's attention no later than 10 days prior to the meeting to provide the NRC staff adequate notice to determine whether the request can be accommodated.
