public comments addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public record.

Title of Collection: Rural Education Achievement Program: Small, Rural School Achievement Program and Rural and Low-Income School Program Application.*OMB Control Number:* 1810–0646.*Type of Review:* Revision of a currently approved collection, *Respondents/Affected Public:* State, Local, and Tribal Governments.*Total Estimated Number of Annual Responses:* 4,565.*Total Estimated Number of Annual Burden Hours:* 4,120.*Abstract:* The U.S. Department of Education (the Department) administers two grant programs under Title V, Part B (Rural Education Achievement Program (REAP) of the Elementary and Secondary Education Act of 1965 (ESEA): the Small, Rural School Achievement (SRSA) program (administered by the Department, which makes awards directly to local educational agencies (LEAs)) and the Rural and Low-Income School (RLIS) program (awarded by the Department to SEAs, which then make awards to and administer the program for LEAs, except that the Department may also make RLIS awards directly to LEAs in States that do not submit an approvable RLIS application to the Department. The LEAs that apply directly to the Department under RLIS are known as Specially Qualified Agencies (SQAs)).

This proposed application package is a revision of current information collection package (OMB #1810–0646), updated to include process improvements and enhance consistency across Forms 1, 2, and 3. Updates include clarifications to data collection processes (e.g., which year data is requested), improved question structure, and process improvements related to LEA eligibility (e.g., clarifying virtual and operational status).

Title of Collection: State Authorization.

OMB Control Number: 1845-0144.

Type of Review: Extension without change of a currently approved collection.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 5,428.

Total Estimated Number of Annual Burden Hours: 2,714.

Abstract: The Department of Education (the Department) requests extension of this information collection regarding Institutional Eligibility regulations in § 600.9—State Authorization. These regulations were a result of negotiated rulemaking in early 2019 and the requirements to these regulations have not changed.

The regulations in § 600.9(c)(2)(i) require an institution to determine in which State a student is located while enrolled in a distance education or correspondence course when the institution participates in a State authorization reciprocity agreement under which it is covered in accordance with the institution's policies and procedures. The updates to the policies and procedures are not reported to the Department nor is there a specified format for such information.

The regulations in § 600.9(c)(2)(ii) require an institution, upon request from the Secretary, provide the written documentation of its determination of a student's location, including the basis for such determination. There is no specific form or format for the institutions to provide this information to the Department upon request. It is anticipated that an institution would provide the pertinent portions of the policy and procedures manual to respond to such a request from the
