

Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have concluded that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2-1, paragraph (32)(e), of the Instruction.

Under figure 2-1, paragraph (32)(e), of the Instruction, an environmental analysis checklist and a categorical exclusion determination are not required for this rule.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

- 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05-1; Department of Homeland Security Delegation No. 0170.1.

- 2. In § 117.559, add new paragraph (c) to read as follows:

§ 117.559 Isle of Wight (Sinepuxent) Bay

(c) On July 4, the draw need not open from 9:30 p.m. until 10:30 p.m. to accommodate the annual July 4th fireworks show. Should inclement weather prevent the fireworks event from taking place as planned, the draw need not open from 9:30 p.m. until 10:30 p.m. on July 5th to accommodate the annual July 4th fireworks show.

Dated: November 1, 2011.

William D. Lee,

Rear Admiral, United States Coast Guard, Commander, Fifth Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2011-0953]

Drawbridge Operation Regulations; Mystic River, CT

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the regulation governing the operation of the Route 1 Bridge, mile 2.8, across the Mystic River, at Mystic, Connecticut. The deviation is necessary to facilitate a major bridge rehabilitation project. This deviation allows the bridge to remain in the closed position for four and a half months.

DATES: This deviation is effective from December 1, 2011 through April 15, 2012.

ADDRESSES: Documents mentioned in this preamble as being available in the docket are part of docket USCG-2011-0953 and are available online at <http://www.regulations.gov>, inserting USCG-2011-0953 in the "Keyword" and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Ms. Judy Leung-Yee, Project Officer, First Coast Guard District, judy.k.leung-yee@uscg.mil, or telephone (212) 668-7165. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366-9826.

SUPPLEMENTARY INFORMATION: The Route 1 Bridge, across the Mystic River, mile 2.8, at Mystic, Connecticut, has a vertical clearance in the closed position of 4 feet at mean high water and 7 feet at mean low water. The drawbridge operation regulations are listed at 33 CFR 117.211(b).

The bridge rarely opens December through April except for testing.

The waterway users are recreational vessels of various sizes that do not operate during the winter months when this deviation will be in effect.

The owner of the bridge, Connecticut Department of Transportation, requested a temporary deviation from the regulations to facilitate a major bridge rehabilitation project.

During the bridge rehabilitation the bridge will be locked in the closed position and inoperable for any bridge openings.

The Coast Guard contacted the waterway users regarding the bridge closure and no objections were received.

Under this temporary deviation the Route 1 Bridge may remain in the closed position from December 1, 2011 through April 15, 2012.

Vessels that can pass under the bridge in the closed position may do so at any time.

In accordance with 33 CFR 117.35(e), the bridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: October 18, 2011.

Gary Kassof,

Bridge Program Manager, First Coast Guard District.

33 CFR Part 117

[Docket No. USCG-2011-0986]

Drawbridge Operation Regulations; Doullut Canal, Mile 0.2, Plaquemines Parish, Empire, LA

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, Eighth Coast Guard District, has issued a temporary deviation from the regulation governing the operation of the SR 11 Bridge over Doullut Canal, mile 0.2, Plaquemines Parish, Empire, LA. This deviation will allow the draw to remain in the closed-to-navigation position for the duration of the 2011 Orange King Festival Bicycle Race.

DATES: This deviation is effective on December 3, 2011 from 8 a.m. until noon.

ADDRESSES: Documents mentioned in this preamble as being available in the docket are part of docket USCG–2011–0986 and are available online by going to <http://www.regulations.gov>, inserting USCG–2011–0986 in the “Keyword” box and then clicking “Search”. They are also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Jim Wetherington; Bridge Administration Branch, Eighth Coast Guard District, *telephone* (504) 671–2128, *email* james.r.wetherington@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, *telephone* (202) 366–9826.

SUPPLEMENTARY INFORMATION: The subject bridge is the SR 11 Swing Bridge across Doullut Canal at mile 0.2, in Empire, Plaquemines Parish, LA. The vertical clearance is 3.3 feet above mean high water. Presently, under 33 CFR 117.5, the draw of the SR 11 Swing Bridge across Doullut Canal at mile 0.2, in Empire, shall open on signal.

The owner requests the bridge be allowed to remain in the closed-to-navigation position for the purpose of the running of the 2011 Orange King Festival Bike Race. This deviation is effective December 3, 2011 from 8 a.m. until noon. Coordination will be through Public Notice and Local Notice to Mariners upon date of publication in the **Federal Register**. This bridge will open for emergencies. In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated time period.

This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: October 18, 2011.

David M. Frank,
Bridge Administrator.

Coast Guard

33 CFR Part 117

[Docket No. USCG–2011–0226]

Drawbridge Operation Regulation; Atlantic Intracoastal Waterway, Albemarle and Chesapeake Canal, Chesapeake, VA

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, Fifth Coast Guard District, has issued a temporary deviation from the regulations governing the operation of the S168 Bridge across the Atlantic Intracoastal Waterway, Albemarle and Chesapeake Canal, mile 12.0, at Chesapeake (Great Bridge), VA. This deviation is necessary to accommodate the annual Christmas parade event.

DATES: This deviation is effective from 4 p.m. on December 3, 2011 through 9 p.m. on December 4, 2011.

ADDRESSES: Documents mentioned in this preamble as being available in the docket USCG–2011–0226 and are available online by going to <http://www.regulations.gov>, inserting USCG–2011–0226 in the “Keyword” box, and then clicking “Search”. This material is also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Mr. Waverly W. Gregory, Jr., Bridge Administrator, Fifth Coast Guard District; *telephone* (757) 398–6222, *email* Waverly.W.Gregory@uscg.mil. If you have questions on reviewing the docket, call Renee V. Wright, Program Manager, Docket Operations, (202) 366–9826.

SUPPLEMENTARY INFORMATION: The City of Chesapeake, who owns and operates the S168 Bridge across the Atlantic Intracoastal Waterway, Albemarle and Chesapeake Canal mile 12.0, at Chesapeake (Great Bridge), VA, has requested a temporary deviation from the current operating regulations set out in 33 CFR 117.997(g), to accommodate the annual Christmas parade event. Normally, the bridge opens on signal; except that, from 6 a.m. to 7 p.m., the draw need be opened only on the hour

or, if the vessel cannot reach the draw exactly on the hour, the drawtender may delay the hourly opening up to ten minutes past the hour.

In the closed position to vessels, this lift-type drawbridge provides a vertical clearance of 8.5 feet, above mean high water.

The Chesapeake annual Christmas parade event is scheduled for December 3, 2011. Under this temporary deviation, the drawbridge will remain in the closed position to vessels requiring an opening from 4 p.m. to 6 p.m. and from 8 p.m. to 10 p.m. on December 3, 2011. And, operations on December 4, 2011 will take place as set out in 33 CFR 117.997(g). However, should weather preclude this event from taking place on December 3, 2011, the event will be re-scheduled to take place on December 4, 2011. In that case, the drawbridge will operate as normal on December 3, 2011 and the drawbridge will remain in the closed position to vessels requiring an opening from 3 p.m. to 5 p.m. and from 7 p.m. to 9 p.m. on December 4, 2011. At all other times during the effective period of this temporary deviation, the drawbridge will operate as outlined at 33 CFR 117.997(g).

Vessels may transit under the drawbridge while it is in the closed position. The Atlantic Intracoastal Waterway caters to a variety of vessels from tug and barge traffic to recreational vessels traveling from Florida to Maine. The Coast Guard will inform unexpected users of the waterway through our local and broadcast Notices to Mariners of the limited operating schedule for the drawbridge so that vessels can arrange their transits to minimize any impacts caused by the temporary deviation. The Atlantic Ocean is the alternate route for vessels and the bridge will be able to open in the event of an emergency.

In accordance with 33 CFR 117.35(e), the draw must return to its original operating schedule immediately at the end of the designated time period.

This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: October 19, 2011.

Waverly W. Gregory, Jr.
Bridge Program Manager, By direction of the Commander, Fifth Coast Guard District.
