

Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission previously approved the listing of options on iShares Ethereum Trust, the Fidelity Ethereum Fund, the Bitwise Ethereum ETF, the Grayscale Ethereum Trust, and the Grayscale Ethereum Mini Trust.¹⁹ As noted above, Phlx's Options 4 Rules were amended by an ISE rule change²⁰ as those Rules are incorporated by reference to ISE's Options 4 Rules, so Phlx has the ability to list the options on the Ether Trusts. This proposal establishes position and exercise limits for options on the Ether Trusts. The Commission believes that waiver of the operative delay could benefit investors by assuring that trading in Ether Trust options are subject to the same position and exercise limits in place on other exchanges. Therefore, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.²¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

²¹ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

Abstract of Proposed Collection

Forms for this collection are completed by panel physicians on behalf of aliens seeking a visa; refugees; follow-to-join refugees and asylees; and certain parolees. The forms record the medical information necessary to determine whether an alien has a medical or other condition affecting their eligibility for a visa or immigration benefit. The information requested includes the result of any diagnostic tests required for the diagnosis of diseases identified as communicable diseases of public health significance, as well as other evaluations identified as necessary to confirm a medical ineligibility under INA sec. 212(a)(1), 8 U.S.C. 1182(a)(1) or to comply with other requirements. Collecting this information is essential to protecting public health in the United States.

Methodology

A panel physician designated by the consular post performs a medical examination of the applicant and completes the forms according to

instructions issued by the Centers for Disease Control (CDC). Respondents submit the forms to the appropriate embassy or consulate, either by providing the completed forms to the applicant in a sealed envelope or by sending them directly via courier. The information collected is retained by the Bureau of Consular Affairs. It is also provided to the CDC, and to the Department of Homeland Security upon arrival at the port of entry.

Deputy Assistant Secretary, Bureau of Consular Affairs, Department of State.

CSX Transportation, Inc. (CSXT) has filed a verified notice of exemption under 49 CFR part 1152, subpart F—*Exempt Abandonments and Discontinuances of Service* to discontinue service over an approximately 7.51-mile rail line on its Albany Division, River Subdivision, Northern Running Track, from milepost QRN 15.09 in Bergen County, N.J., to milepost QRN 22.6 in Rockland County, N.Y. To address whether this condition

adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) ¹ to subsidize continued rail service has been received, this exemption will be effective on May 17, 2025, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues must be filed by April 25, 2025. Formal expressions of intent to file an OFA to subsidize continued rail service under 49 CFR 1152.27(c)(2) ² must be filed by April 28, 2025. ³ Petitions for reconsideration must be filed by May 7, 2025.
