Copies of all nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on the matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 16, 2006, based on a complaint filed on April 11, 2006, by Lexar Media, Inc. ("Lexar") of Fremont, California. 71 FR 28387. The complaint alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain flash memory chips, flash memory systems, and products containing same by reason of infringement of claims 1 and 2 of U.S. Patent No. 6,801,979; claims 1-7 of U.S. Patent No. 6,397,314; and claims 1-13, 15, and 16 of U.S. Patent No. 6,978,342. The complaint named three respondents: Toshiba Corporation of Japan; Toshiba America, Inc. of New York, New York; and Toshiba America Electronic Components, Inc. of Irvine, California (collectively the "respondents"). The complaint further alleged that an industry in the United States exists as required by subsection (a)(2) of section 337. On August 31, 2006, Acclaim Innovations, LLC, which had become the assignee of the asserted patents, was permitted to intervene in the investigation as a co-complainant.

On September 29, 2006, the co-complainants and all respondents filed a joint motion to terminate the investigation on the basis of a settlement agreement. The Commission Investigative Attorney filed a response in support of the motion on October 10, 2006.

The ALJ issued the subject ID on October 11, 2006, granting the joint motion for termination. No party petitioned for review of the ID pursuant to 19 CFR 210.43(a), and the Commission found no basis for ordering a review on its own initiative pursuant to 19 CFR 210.44. The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.21(a)(2), (b) and 210.42(h)(3) of the Commission's Rules of Practice and Procedure.

By order of the Commission.

Issued: October 18, 2006.

Marilyn R. Abbott,

Secretary to the Commission.

DEPARTMENT OF JUSTICE

[OMB Number 1103-NEW]

Office of Community Oriented Policing Services; Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 60-Day Notice of Information Collection Under Review: COPS Interoperable Communications Technology Program (ICTP) Assessment.

The Department of Justice (DOJ) Office of Community Oriented Policing Services (COPS) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The revision of a currently approved information collection is published to obtain comments from the public and affected agencies.

The purpose of this notice is to allow for 60 days for public comment until December 26, 2006. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Rebekah Dorr, Department of Justice Office of Community Oriented Policing Services, 1100 Vermont Avenue, NW., Washington, DC 20530.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

—Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

—Enhance the quality, utility, and clarity of the information to be collected; and

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
