Abstract: All members in the three AmeriCorps programs—AmeriCorps State & National, VISTA, and the National Civilian Community Corps (NCCC)—are invited to complete a questionnaire upon completing their service term. The questionnaire asks members about their motivations for joining AmeriCorps, experiences while serving, and future plans and aspirations. Completion of the questionnaire is not required to successfully exit AmeriCorps, or to receive any stipends, educational awards, or other benefits of service. The purpose of the information collection is to learn more about the member experience and member perceptions of their AmeriCorps experience in order to improve the program. Members complete the questionnaire electronically through the AmeriCorps Member Portal. Members are invited to respond as their exit date nears and are allowed to respond for an indefinite period following the original invitation. CNCS seeks to renew the current information collection. The questionnaire submitted for clearance is unchanged from the previously cleared questionnaire. CNCS also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on 3/31/2021.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d)

ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.
