

criteria by an independent review group appointed by CDC:

1. Methods (30 points)

Are the proposed activities and interventions potentially effective in directly impacting immunization coverage and disease reduction, (especially in under-immunized geographical areas and sub-populations)? Is the management plan likely to ensure that grant-funded activities will be implemented in a timely fashion?

2. Program Plan (25 points)

Does the application propose effort for required activities in all program components outlined in section "D. Program Requirements" and for populations of all ages (infants, children, adolescents and adults)?

3. Objectives (25 points)

Does the program objectives focus on specific activities that potentially impact program need?

4. Evaluation (20 points)

Are quantified performance measures that will demonstrate program effectiveness as indicated by achievement of program objectives and intended outcomes clearly stated?

5. Budget (not scored)

Are the budget and budget justification thorough in explaining the purpose for which each line item is requested, and how the amounts were derived? Are the budget items apportioned across the program components? Are the 317 and VFC funds clearly differentiated?

I. Other Requirements

Technical Reporting Requirements

Provide CDC with original plus two copies of:

1. Semiannual progress reports. The progress report will include a data element that demonstrates measures of effectiveness. The first report will cover the period January 1 to June 30, and the second report (which serves as the continuation application) will cover the period July 1 to December 30. A copy of the progress report due on July 30 must be submitted via computer-based systems and formats developed by CDC that specify required data elements related to measures of effectiveness (the original and two copies are to be mailed).

2. Ad hoc reports, *i.e.*, VPD case reports and ongoing purchase and inventory reports for all vaccines purchased with public funds, via forms, templates, and computer-based systems

developed by CDC should be submitted as information is collected or as requested by CDC.

3. Financial Status Report, with an attachment that delineates separate VFC and 317 expenditures and obligations by object class category, no more than 90 days after the end of the budget period.

4. Final financial and performance report, with an attachment that delineates separate VFC and 317 expenditures and obligations by object class category, no more than 90 days after the end of the project period.

Send all reports to the Grants Management Specialist identified in the "Where to Obtain Additional Information" section of this announcement.
