

of these materials by the Commission or FINRA to prevent incomplete, inaccurate, or misleading disclosure about the special characteristics of a closed-end fund that makes periodic repurchase offers.

Based on staff experience, the Commission staff estimates that 21 funds make use of rule 23c-3 annually, including six funds that are relying upon rule 23c-3 for the first time. The Commission staff estimates that on average a fund spends 89 hours annually in complying with the requirements of the rule and Form N-23c-3, with funds relying upon rule 23c-3 for the first time incurring an additional one-time burden of 28 hours. The Commission therefore estimates the total annual burden of the rule's and form's paperwork requirements to be 2,037 hours. In addition to the burden hours, the Commission estimates that the average yearly cost to each fund that relies on rule 23c-3 to print and mail repurchase offers to shareholders is approximately \$29,966.50. The Commission estimates total annual cost is therefore approximately \$629,297.

Estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. Compliance with the collection of information requirements of the rule and form is mandatory only for those funds that rely on the rule in order to repurchase shares of the fund. The information provided to the Commission on Form N-23c-3 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the agency's estimate of the burdens of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burdens of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions and extensions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2015-0029].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. 1. *Statement of Employer—20 CFR 404.801-404.803—0960-0030*. When workers report they were paid wages but cannot provide proof of those earnings, and the wages do not appear in SSA's records of earnings, SSA uses Form SSA-7011-F4 to document the alleged wages. Specifically, the agency uses the form to resolve discrepancies in the individual's Social Security earnings record and to process claims for Social Security benefits. We only send Form SSA-7011-F4 to employers if we are unable able to locate the earnings information within our own records. The respondents are employers who can verify wage allegations made by wage earners.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-7011-F4	500	1	20	167

2. *Function Report Adult-Third Party—20 CFR 404.1512 & 416.912—0960-0635*. Individuals receiving or applying for Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) provide SSA with medical evidence and other proof SSA

requires to prove their disability. SSA, and Disability Determination Services (DDS) on our behalf, collect this information using Form SSA-3380-BK. We use the information to document how claimant's disabilities affect their ability to function, and to determine

eligibility for SSI and SSDI claims. The respondents are third parties familiar with the functional limitations (or lack thereof) of claimants who apply for SSI and SSDI benefits.
