BILLING CODE P

FEDERAL TRADE COMMISSION

[File No. P222100]

HISA Proposed Budget

AGENCY: Federal Trade Commission.

ACTION: Notice of publication of Horseracing Integrity and Safety Authority 2023 proposed budget; request for public comment.

SUMMARY: The Federal Trade Commission (“FTC” or “Commission”) publishes the 2023 proposed budget of the Horseracing Integrity and Safety Authority and seeks public comment on whether the Commission should approve, disapprove, or modify the proposed budget.

DATES: Comments must be filed on or before October 18, 2023.

ADDRESSES: Interested parties may file a comment online or on paper by following the instructions in the Request for Comment part of the **SUPPLEMENTARY INFORMATION** section. Write “HISA 2023 Budget, Matter No. P222100” on your comment and file it online at <https://www.regulations.gov> by following the instructions on the web-based form. If you prefer to file your comment on paper, mail your comment to the following address: Federal Trade Commission, Office of the Secretary, 600 Pennsylvania Avenue NW, Suite CC-5610 (Annex H), Washington, DC 20580.

FOR FURTHER INFORMATION CONTACT: John H. Seesel (202-326-2702), Associate General Counsel, Office of the General Counsel, Federal Trade Commission, 600 Pennsylvania Avenue NW, Washington, DC 20580.

SUPPLEMENTARY INFORMATION: The Horseracing Integrity and Safety Act,¹ enacted on December 27, 2020,² and amended on December 29, 2022,³ directs the Federal Trade Commission to oversee the activities of a private, self-regulatory organization called the Horseracing Integrity and Safety Authority (“HISA” or the “Authority”). In March 2023, the Commission issued rules setting forth the procedure whereby the Commission approves, disapproves, or modifies the Authority’s proposed annual budget.⁴ Under these rules, the Authority must first publish a proposed budget on its own website and invite public comments. See FTC Rule 1.150(b). Thereafter, the Authority must forward the budget to the Commission, along with any public comments received and an assessment of those comments. *Id.* The Authority’s submission must include (a) a statement of the vote by the Authority’s Board of Directors approving the proposed budget; (b) information about revenues, including how fees are calculated and apportioned; (c) information about expenditures, broken down by program area, e.g., the racetrack safety program, the anti-doping and medication control program, etc.; (d) sufficient information about individual line items for the Authority’s Board of Directors to exercise their fiduciary duty of care; and (e) information comparing actual revenues and expenses against the approved budget and explaining variances of greater than 10 percent. Rule 1.150(c).

After the Authority submits its proposed budget and supporting materials to the Commission, the Commission must determine whether “the proposed budget contains sufficient information for the members of the Board of Directors of the Authority to exercise their fiduciary duty of care,” Rule 1.150(d), and whether the submission otherwise comports with the submission requirements of the Commission’s rules. *Id.*; see Rule 1.143. Once the Commission makes that determination, it publishes the Authority’s proposed budget in the **Federal Register** and invites public comment for a period of 14 days. *Id.* After taking into consideration the comments submitted, the Commission either approves or disapproves the budget. Rule 1.151(a). The Commission will approve the

proposed budget if “the Commission determines that, on balance, the proposed budget serves the goals of the Horseracing Integrity and Safety Act in a prudent and cost-effective manner, utilizing commercially reasonable terms with all outside vendors, and that its anticipated revenues are sufficient to meet its anticipated expenditures.” Rule 1.151(c). The Commission may also modify the amount of any line item. Rule 1.151(d).

In October 2022—prior to the effective date of the budget rule—the Authority forwarded to the Commission a summary of the Authority’s 2023 budget. In December 2022, the Authority forwarded to the Commission a revised summary 2023 budget. In June 2023, after the budget rule became effective, the Authority submitted to the FTC a “Supplemental Notice of Filing of HISA Budget,” which included all the information the Authority must provide to the Commission under Rule 1.150(c). The Supplemental Notice of Filing of HISA Budget is reproduced below. The appendices to which it refers have been collected and reproduced as a supporting document on the docket for this publication at <https://www.regulations.gov>.

Based upon these submissions and additional information the Authority has provided to the Commission, the Commission concludes the Authority’s proposed 2023 budget “contains sufficient information for the members of the Board of Directors of the Authority to exercise their fiduciary duty of care.” Rule 1.150(d). The Authority’s submission also complies with the filing procedures set forth in Rule 1.143. The Commission therefore issues this document and invites comments from the public on the Authority’s 2023 budget. Comments should address the decisional criteria set forth in Rule 1.151(c) and whether any line items should be modified. See Rule 1.151(e).

You can file a comment online or on paper. For the Commission to consider your comment, we must receive it on or before October 18, 2023. Write “HISA 2023 Budget, Matter No. P222100” on your comment. Your comment—including your name and your state—will be placed on the public record of this proceeding, including the <https://www.regulations.gov> website.

Postal mail addressed to the Commission is subject to delay due to heightened security screening. As a result, we strongly encourage you to submit your comments online. To make sure the Commission considers your online comment, you must file it at <https://www.regulations.gov>, by
