SUPPLEMENTARY INFORMATION:

Background

On January 4, 2023, Commerce published the *Preliminary Results* of this administrative review.¹ Commerce conducted verification from May 9 to 12, 2023.²

On June 15, 2023, the American Sugar Coalition and its members (collectively, petitioners) filed a case brief,³ and the GOM filed a letter in lieu of a case brief.⁴ On June 22, 2023, respondents,⁵ petitioners,⁶ and the GOM⁷ each filed letters in lieu of rebuttal briefs.

Scope of the CVD Agreement

The product covered by this CVD Agreement is raw and refined sugar of all polarimeter readings derived from sugar cane or sugar beets. Merchandise covered by this CVD Agreement is typically imported under the following headings of the HTSUS: 1701.12.1000, 1701.12.5000, 1701.13.1000, 1701.13.5000, 1701.14.1020, 1701.14.1040, 1701.14.5000, 1701.91.1000, 1701.91.3000, 1701.99.1015, 1701.99.1017,

1701.99.1025, 1701.99.1050, 1701.99.5015, 1701.99.5017, 1701.99.5025, 1701.99.5050, and 1702.90.4000.⁸ The tariff classification is provided for convenience and customs purposes; however, the written description of the scope of this CVD Agreement is dispositive.

A full description of the scope of the CVD Agreement is contained in the Issues and Decision Memorandum.⁹

Analysis

Commerce continues to determine that the CVD Agreement met the statutory requirements under sections 704(c) and (d) of the Act, during the POR. We also continue to find, based on record evidence, that the GOM and respondents, the GAM Group and Tamazula, were in compliance with the terms of the CVD Agreement during the POR. However, we intend to consult with the GOM under Section VIII.D.4 of the CVD Agreement (“Operations Consultations”) to discuss issues raised in this review. Such consultations are necessary to ensure adherence to the statutory requirements of the CVD Agreement and that any potential administrative challenges to effective monitoring are diminished.

The issues raised in the case and rebuttal briefs are addressed in the accompanying Issues and Decision Memorandum.¹⁰ The issues are identified in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Notification Regarding Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the

return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213 and 19 CFR 351.221(b)(5).

Dated: July 3, 2023.
