SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of August 16, 2004 (69 FR 50386), FDA published a notice with a 90-day comment period to request comments on the scientific and technological perspectives of manufacturers, academia, and other interested persons to determine the state of the science as it relates to protein characterization, production, and assessment of similarity.

The agency has received requests for an extension of the comment period for the notice. In response to these requests, FDA has decided to reopen the comment period for the notice for an additional 30 days, until March 16, 2005.

II. Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments on this document. Two copies of mailed comments are to be submitted, except that individuals may submit one copy. Comments are to be identified with the docket number

found in brackets in the heading of this document. Received comments are available for public examination in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Dated: February 11, 2005.

Jeffrey Shuren,

Assistant Commissioner for Policy.
