Number:* Civil Aircraft Landing Permit
System Forms; DD Forms 2400, 2401,
and 2402; OMB Control Number 0701-
0050.*Type of Request:* Revision.*Number of Respondents:* 5,400.*Responses per Respondent:* 1.*Annual Responses:* 5,400.*Average Burden per Response:* 10
minutes.*Annual Burden Hours:* 900.*Needs and Uses:* The Federal Aviation
Act of 1958 (Pub. L. 85-726, sec. 1107)
authorized government agencies to
regulate public use of government-
owned airfields. The military
departments have made military
airfields available to civil aircraft
operators, primarily to conduct official
government business; however, use for
other purpose is also occasionally
accommodated (see Air Force
Instruction 10-1001, Army Regulation
95-2, and Secretary of the Navy
Instruction 3770-IC). Access must be
managed to ensure that security and
operational integrity are maintained and
that the government is not held liable if
the civil aircraft becomes involved in an
accident or incident while using
military airfields, facilities, andservices. The collection of information
is necessary to identify the aircraft
operator and the aircraft to be operated;
establish the purpose for use of military
airfields; and protect the U.S.
Government against litigation.The respondents for this collection
include any civil aircraft operator
applying for landing rights on a DoD
airfield. The Air Force processes three
times more requests than other military
branches of service, thus the Air Force
is the owner of the Civil Aircraft
Landing Permit System program and DD
Forms 2400, 2401, and 2402. The
respondents may access the collection
instruments via the DoD Forms website
or by contacting the base of interest to
obtain info on how to request forms for
landing approval. Respondents must
complete DD Form 2401 to identify
themselves, indicate where they want to
operate, state their purpose for use, and
list their aircraft. DD Form 2402 is used
to ensure that the respondent agrees to
hold the government harmless and
notify their insurance company to
complete the DD Form 2400 to show
evidence of third-party liability
insurance coverage. The forms are
provided at no cost to the individual or
company, and when use is for official
government business, there is no charge
for use of the airfield. The military
departments also use the information to
advise installation commanders of
approved users, aircraft registration
numbers, and purpose for use.*Affected Public:* Business or other for-
profit; individuals or households.*Frequency:* On occasion.*Respondent's Obligation:* Required to
retain or obtain benefits.*OMB Desk Officer:* Ms. Jasmeet
Seehra.You may also submit comments and

instructions for submitting comments.

Instructions: All submissions received

ID number, and title for this **Federal

for comments and other submissions
from members of the public is to make
