Notice of Correction

Title of Project

Randomized Controlled Trial of Routine Screening for Intimate Partner Violence—New—National Center for Injury Prevention and Control (NCIPC), Centers for Disease Control and Prevention (CDC).

Description of Correction

A 30-day **Federal Register** Notice was published on June 25, 2007 (Vol. 72, No. 121, pp. 34691–34692) describing proposed activities with total estimated annualized burden of 717.7 hours. The annualized total burden hour estimate is correct, however, due to a clerical oversight, the table of Estimated Annualized Burden Hours contained non-annualized figures for the Number of Respondents (i.e., project totals). The corrected table appears below. The total estimated annualized burden hours are 717.7.

OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276–1243.
