

(B) Self-Regulatory Organization's Statement on Burden on Competition

SCCP does not believe that this extension should impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Section 17A(b)(3)(F) of the Act⁶ requires that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions. Based on the information the Commission has to date, the Commission believes that SCCP's restructured operations have functioned satisfactorily to provide prompt and accurate clearance and settlement. During the upcoming temporary approval period, the Commission expects to review with SCCP in detail the functioning of SCCP's restructured operations in order to determine whether permanent approval of SCCP's restructured business is warranted.

SCCP has requested that the Commission approve the proposed rule change prior to the 30th day after publication of the notice of the filing. The Commission finds good cause for approving the rule change prior to the 30th day after publication because such approval will allow SCCP to continue to offer its restructured clearing operations for another year without interruption.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments may also be submitted electronically at the following e-mail address: rule-comments@sec.gov. All comment letters should refer to File No. SR-SCCP-2001-12. This file number should be included on the subject line if e-mail is used. Copies of the submission, all subsequent

amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 450 Fifth Street, NW., Washington, DC 20549. Copies of such filing will also be available for inspection and copying at the principal office of SCCP. All submissions should refer to File No. SR-SCCP-2001-12 and should be submitted by January 14, 2003.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁷ that the proposed rule change (File No. SR-SCCP-2001-12) be and hereby is approved on an accelerated basis through December 31, 2003.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.⁸
