5. *You Can Make Your Payment by Credit Card—0960-0462.* Using information from Form SSA-4588 and its electronic application, Form SSA-4589, SSA updates individuals' Social Security records to reflect payments made on their overpayments. In addition, SSA uses this information to process payments through the appropriate credit card company. SSA

provides the SSA-4588 when we inform an individual that we detected an overpayment. Individuals may choose to make a one-time payment or recurring monthly payments by completing and submitting the SSA-4588.

SSA uses the SSA-4589 electronic intranet application only when individuals choose to telephone the Program Service Centers to make a one-

time payment in lieu of completing Form SSA-4588. An SSA debtor contact representative completes the SSA-4589 electronic intranet application. Respondents are OASDI beneficiaries and SSI recipients who have outstanding overpayments.

6. *Request for Internet Services—Password Authentication—20 CFR 401.45—0960-0632.* SSA uses a password infrastructure and process to verify the identity of individuals who choose to use the Internet system to conduct personal business with SSA electronically. To obtain a password

from SSA's Individual Password Services, we ask an individual for certain information prescribed by SSA. SSA uses the information to authenticate an individual prior to issuing a temporary password. Once SSA authenticates individuals, and those individuals create a permanent

password, they may use SSA's password protected services, e.g., account status, change of address, direct deposit elections, or changes. The respondents are individuals electing to do personal business with SSA electronically.

[Public Notice 7763]

U.S. Department of State Advisory Committee on Private International Law (ACPIL): Notice of Public Meeting on (1) Jurisdiction and the Recognition and Enforcement of Judgments, and (2) Choice of Law in International Commercial Contracts

The Office of the Assistant Legal Adviser for Private International Law, Department of State, hereby gives notice of a public meeting to discuss two topics on the agenda of the upcoming General Affairs and Policy Council of the Hague Conference on Private International Law. The public meeting will take place on Tuesday, April 3, 2012 from 10 a.m. to 2 p.m. at the main State Department building (Harry S Truman Building). This is not a meeting of the full Advisory Committee.

Jurisdiction and the Recognition and Enforcement of Judgments: An ACPIL meeting on this topic was held on March 23, 2011. At the subsequent General Affairs and Policy Council held in April 2011, it was agreed to establish a small experts' group "to explore the background of the Judgments Project and recent developments with the aim to assess the possible merits of resuming the Judgments Project." That experts' group will hold its initial meeting on April 12-14, 2012 in The Hague, and the results of that meeting will be reported to the General Affairs and Policy Council, which meets April 17-20.

Choice of law in international commercial contracts: A working group composed of experts from various countries has been meeting over the past couple of years to develop non-binding principles relevant to the choice of law in international commercial contracts. The draft principles prepared by that working group will be considered at the General Affairs and Policy Council.

The purpose of the public meeting is to obtain the views of concerned stakeholders on these topics in advance of the upcoming Hague Conference meetings.

Prior to the Study Group meeting, we will send out—to all those who indicate that they intend to attend the meeting or participate by telephone, or who otherwise wish to comment—the
