SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act, the Department proposes to modify the system of records notice entitled “Aid Awareness and Application Processing” (18–11–21), which was last published in full in the **Federal Register** on February 2, 2024 (89 FR 7381).

The Department is modifying the section entitled “PURPOSE(S) OF THE SYSTEM” for the purposes related to applying for Federal student financial assistance and administering title IV, HEA programs to add purpose (18) to enable institutions of higher education (IHEs) and State higher education agencies to provide aid applicants and aid recipients with information about certain Federal means-tested benefits for which they may qualify and to enable IHEs and State higher education agencies, with the explicit written consent of aid applicants or aid recipients, and parents of dependent aid applicants or aid recipients and spouses of married aid applicants or aid recipients if necessary, to share non-Federal Tax Information (FTI) Free Application for Federal Student Aid (FAFSA) information directly with Federal, State, or local government agencies or tribal organizations to assist such applicants or recipients, in applying for or receiving Federal, State, or local government assistance, or tribal assistance for any component of the applicants’ or recipients’ cost of attendances that may include financial assistance or non-monetary assistance.

The Department is modifying the second sentence in the first paragraph in the section entitled “CATEGORIES OF INDIVIDUALS COVERED BY THE

SYSTEM” to remove the category of individuals that includes those who are students in attendance at a secondary school or local educational agency for which State grant agencies and other eligible requesting entities submit information to the Department in order for the Department to provide such entities with the student’s FAFSA Filing Status Information. The Department is removing this category of individuals because the Department is no longer collecting this information and permits FAFSA filing status to be redisclosed by State higher education agencies to such entities, as described in the modification of routine use 1(p).

The Department is modifying the note in Category (1) in the section entitled “CATEGORIES OF RECORDS IN THE SYSTEM” to clarify that the “FUTURE Act System (FAS)” (18–11–23) system of records notice was published in the **Federal Register**.

The Department is modifying the section entitled “ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND PURPOSES OF SUCH USES” as follows:

(i) In the first paragraph, the Department is deleting the last sentence (which reads, “Until June 30, 2024, Section 483(a)(3)(E) of the HEA (20 U.S.C. 1090(a)(3)(E)) restricts the use of the information gathered from the electronic version of the FAFSA to the application, award, and administration of aid awarded under title IV of the HEA, aid awarded by States, aid awarded by eligible institutions, or aid awarded by such entities as the Secretary of Education may designate”) because Section 483(a)(3)(E) of the HEA will not be in effect after June 30, 2024;

(ii) Routine use (1)(p) is modified to revise and limit the entities to which the Department may disclose a student’s FAFSA filing status for the purpose of encouraging a student to complete a FAFSA that they started but did not submit and assisting a student with the completion of a FAFSA to a State higher education agency in order for such agency to redisclose such information to a local educational agency; a secondary school where the student is or was enrolled; grantees of the Department; American Indian and Alaska Native educational entities; and nonprofit college access organizations with an established relationship with the student;

(iii) Routine use (1)(q) is modified to remove and replace “Through June 30, 2024, the Department may disclose records from this system to State higher education agencies, eligible IHEs, and other entities that the Secretary of

Education has designated under section 483(a)(3)(E) of the HEA (20 U.S.C. 1090(a)(3)(E)) that award and administer aid to students, to determine an applicant’s eligibility for the award of aid by State higher education agencies, eligible IHEs, or by other entities the Secretary of Education has designated. (Beginning July 1, 2024, under amendments to the HEA made by the FAFSA Simplification Act and the FAFSA Simplification Technical Corrections Act, the Department will no longer rely on this authority to disclose records from this system to State higher education agencies, eligible IHEs, and other entities that the Secretary of Education has designated under section 483(a)(3)(E) of the HEA (20 U.S.C. 1090(a)(3)(E))” with “The Department may disclose records under Sections 483(a)(2)(D)(i), 483(a)(2)(E)(ii), and 483(a)(3)(B)(i) of the HEA (20 U.S.C. 1090(a)(2)(D)(i), 1090(a)(2)(E)(ii), and 1090(a)(3)(B)(i)) from this system to State higher education agencies, eligible IHEs, and scholarship organizations that were designated prior to the date of enactment (December 19, 2019) of the FUTURE Act (Pub. L. 116–91, 133 Stat. 1189) that award and administer aid to students, to determine an applicant’s eligibility for aid awarded by State higher education agencies, eligible IHEs, or designated scholarship organizations, and to administer Federal aid or aid awarded by State higher education agencies, eligible IHEs, or designated scholarship organizations.”; and

(iv) Routine use (1)(s) is added to permit disclosures of records from an applicant’s FAFSA to IHEs and State higher education agencies to provide aid applicants and aid recipients with information about certain Federal means-tested benefits for which they may qualify.

The EFC or SAI is available to, and used by, IHEs to determine the applicant's eligibility for Federal and institutional program assistance and the amount of assistance, and State grant agencies to determine the applicant's eligibility for State grants and the amount of grant assistance. The Department notifies the applicant of the results of their application via the SAR or FSS. The Department provides the IHEs identified on the applicant's FAFSA with the ISIR, which indicates whether there are discrepant or insufficient information, school adjustments, or CPS assumptions that affect processing of the FAFSA. Other information in the system includes, but is not limited to: Secondary EFC (an EFC that is calculated from the full EFC formula and is printed in the Financial Aid Administrator's (FAA) Information section of the ISIR), dependency status, Federal Pell Grant eligibility, duplicate SSN (an indicator that is set to alert ISIR recipients that two applications were processed with the same SSN, Incarcerated Student Indicator Flag (an indicator that will be used to identify an aid applicant as an incarcerated student), selection for verification, Simplified Needs Test (SNT) or Automatic Zero EFC (used for extremely low family income), CPS and FPS processing comments, reject codes (explanation for applicant's FAFSA not computing EFC), assumptions made with regard to the student's information due to incomplete or inconsistent FAFSA information, FAA adjustments including dependency status overrides, and CPS and FPS record processing information (application receipt date, transaction number, transaction process date, SAR Serial Number, Compute Number, Data Release Number (DRN), a four-digit number assigned to each application), National Student Loan Database System (NSLDS) match results, a bar code, and transaction source);

(7) Information that identifies aid applicant or aid recipient complaints, positive feedback, reports of suspicious activity, requests for assistance, requests for borrower defense relief, requests for PSLF reconsideration, or other inquiries. Such information includes, but is not limited to: written documentation of an aid applicant or aid recipient's complaint, request for assistance, request for relief under the borrower defense to repayment regulations, case tracking number, case appeal identifier, or other comment or

inquiry; and information pertaining to the aid recipient's or the aid recipient's parent's student financial assistance program account(s) under title IV of the HEA, such as the aid recipient's and the aid recipient's parent's names and Federal Student Aid IDs (FSA IDs). Information may include the name, address, and phone numbers of the aid recipient's counsel or representative, IHE(s), lender(s), secondary holder(s) or lender(s), guaranty agency(ies), servicer(s), private collection agency(ies), and third-party requestor(s), as this term is defined in 34 CFR 685.401(a), if applicable, and may contain other loan-level information;

(8) Information provided and generated through customer interactions with contact center support via inbound and outbound channels (phone, chat, webform, email, customer satisfaction survey, fax, physical mail, social media platforms, digital engagement platforms, and controlled correspondence). Information includes, but is not limited to: chat transcripts, email communications, audio recordings of customer calls, and screen recordings of contact center support desktop during customer interactions;

(9) Loan discharge eligibility and verification information for use in determining whether a title IV, HEA debt/loan qualifies for discharge;

(12) Information needed to aid in the delivery of strategic and real-time communication to customers, including, but not limited to, first name, last name, DOB, state of residence, email, phone number, mobile device ID, device data, FAFSA transaction data, uniform resource locator (URL), computer-related data, and customer communication preferences and user activity (open or clicks) for email and SMS communications;

(13) Information provided on third-party preparers, including, but not limited to, first name, last name, SSN or employer identification number,

affiliation, address or employer's address, signature, and signature date.

Note: This system of records also maintains information that is collected in this system and stored in other systems of records. The following information about individuals who apply for or receive a Federal grant or loan under one of the programs authorized under title IV of the HEA is collected in this system and stored in the "Common Origination and Disbursement (COD) System" (18-11-02) system of records: applicant identifiers including applicant's name, SSN, and DOB; demographic information, including asset and income information (tax return status, adjusted gross income, Internal Revenue Service exemptions, and tax year), and enrollment information; borrower's loan(s) information, including information about recipients of Direct Loans, FFEL Program loans, Perkins Loans, and FISL Program loans, such as the period from the origination of the loan through final payment, and milestones, including, but not limited to, consolidation, discharge, or other final disposition including details such as loan amount, disbursements, balances, loan status, repayment plan and related information, collections, claims, deferments, forbearances, and refunds; information about students receiving Federal grants, including recipients of Pell Grants, ACG, National SMART Grants, TEACH Grants, Iraq and Afghanistan Service Grants, and including grant amounts, grant awards, verification status, lifetime eligibility used (LEU), IASG eligible veteran's dependent indicator, Children of Fallen Heroes Scholarship eligibility indicator, and the Pell Grant additional eligibility indicator; Pell Grant collection status indicator and overpayment collection information; promissory notes, Direct Loan Entrance Counseling forms, Federal Student Loan Exit Counseling forms, PLUS Loan Counseling forms, the Annual School Loan Acknowledgement (ASLA), Direct PLUS Loan Requests, endorser addendums, and counseling in the Direct Loan and TEACH Grant programs, such as the date that applicant completed counseling; PLUS Loan credit report information; applicant identifier information for an electronic request to repay a Direct Loan under an income-driven repayment plan and endorser/spouse information, such as the SSN, date that applicant completed the income-driven repayment plan application, and current loan balances; Electronic Direct Consolidation Loan borrower identifier information, such as the borrower's

SSN, the date that borrower completed the Federal Direct Consolidation Loan application and promissory note, and current loan balances; and credit check decisions, credit appeals, credit appeal identifiers, and credit history information to support the credit appeal process. Further, information from the "Enterprise Data Management and Analytics Platform Services (EDMAPS)" (18-11-22) system of records is accessible in the DCC IT system to: allow real-time updates to a customer's identifiers, demographic attributes, address, phone, and email contact details; update customer preference for receiving marketing information via text message; allow the Department and its contractors to identify customers who have completed a customer satisfaction survey; and enable the Department to contact borrowers who have been identified by the Department as potentially having fraudulent activity from a Third-Party Debt Relief (TPDR) company and are at risk of loan default. The following information is modifiable by the customer through *StudentAid.gov*: name, DOB, address, phone number, and email address. The DCC IT system also sends the following information to the EDMAPS system for analytics and reporting: case information including complaints, and OIG fraud referral data. Information includes, but is not limited to: SSN, DOB, address, phone, and email. Additionally, some information from Federal Loan Servicers' systems (covered by the "Common Services for Borrowers (CSB)" (18-11-16) system of records) is accessible on *StudentAid.gov* to allow customers to view their payment information, loan information, and to make payments on *StudentAid.gov* as they would on the various Federal Loan Servicer websites. Further, customers can use *StudentAid.gov* to update their contact information and access financial aid history that is stored in the "National Student Loan Data System (NSLDS)" (18-11-06) system of records. Additionally, until CPS is decommissioned after September 30, 2024, CPS is also used as a pass-through to send information that is stored in the "Person Authentication Service (PAS)" (18-11-12) system of records to SSA for computer matching on individuals who apply for an FSA ID in PAS in order to assist the Department in verifying their identities. The information includes, but is not limited to: SSN, name, and DOB. Finally, beginning with the 2024-25 award year application cycle, the IRS will disclose directly to the Department FTI for FAFSA application processing

and aid eligibility determination; that FTI will not be maintained in this system. Beginning July 30, 2023, the IRS will also disclose directly to the Department FTI to determine eligibility and monthly payment amounts under Income-Driven Repayment (IDR) plans; that FTI also will not be maintained in this system. All FTI that the Department will obtain directly from the IRS under the FUTURE Act will be maintained within the FTI Module (FTIM) system that will be compliant with the IRS Publication 1075, "Tax Information Security Guidelines for Federal, State and Local Agencies, Safeguards for Protecting Federal Tax Returns and Return Information," and that will be covered under the Department's system of records notice entitled "FUTURE Act System (FAS)" (18-11-23). This system will continue to maintain both historical income information (obtained from the IRS until CPS is decommissioned) and applicant-provided income information (either through a manual FAFSA entry or submission of alternative documentation of income (ADOI) through the IDR process). Any reference to income throughout this system of records notice refers explicitly to income information that the Department did not obtain directly from the IRS but obtained from the applicant or from another source.

RECORD SOURCE CATEGORIES:

Information maintained in this system of records is obtained from applicants, the parents of dependent applicants, third-party preparers, and the spouse of married applicants for title IV, HEA program assistance, on the paper FAFSA, Portable Document Format (PDF) FAFSA, the online FAFSA form, and FAFSA by phone; the authorized employees or representatives of authorized entities (namely, IHEs, institutional third-party servicers, FFEL Program lenders, FFEL Program guaranty agencies, Federal loan servicers, State grant agencies, other Federal agencies, and research agencies); and from other persons or entities from which information is obtained following a disclosure under the routine uses set forth below.

The Financial Aid Administrators at IHEs designated by the applicant and IHEs' third-party servicers may correct the records in this system as a result of documentation provided by the applicant or by a dependent applicant's parents, such as Federal income return(s) (IRS Form 1040), Social Security card(s), and Department of Homeland Security I-551 Permanent Resident Card.

This system maintains information added during CPS processing and that will be added during FPS processing and information received from other Department systems, including the NSLDS, the COD System, and the SAIG Participation Management System. The results of matching programs with Federal agencies or State or local governments, or agencies thereof, are added to the student's record during CPS processing and will be added to the student's record during FPS processing. The Department's matching programs at the time of the publication of this system of records notice are with the SSA to verify the SSNs of applicants, dependent applicants' parent(s), and spouses of married applicants, as well as of individuals who apply for an FSA ID, and to confirm the U.S. citizenship status of applicants as recorded in SSA records and date of death (if applicable) of applicants, and dependent applicants' parents, pursuant to title IV of the HEA, including sections 428B(f)(2), 483(a)(12) (which under the FAFSA Simplification Act will be section 483(a)(2)(B)), and 484(g) and (p) (which the FAFSA Simplification Act redesignates as section 484(o) of the HEA (20 U.S.C. 1078–2(f)(2), 1090(a)(12) (which the FAFSA Simplification Act amends to be 1090(a)(2)(B)), and 1091(g) and (p) (which the FAFSA Simplification Act redesignates as 1091(o)); with the Department of Veterans Affairs (VA) to verify the status of applicants who claim to be veterans, pursuant to section 480(c) and (d)(1)(D) of the HEA (20 U.S.C. 1087vv(c) and (d)(1)(D)); with the U.S. Department of Homeland Security (DHS) to confirm the immigration status of applicants for assistance as authorized by section 484(g) of the HEA (20 U.S.C. 1091(g)); with the U.S. Department of Justice (DOJ) to enforce any requirement imposed at the discretion of a court, pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, Public Law 100–690, as amended by section 1002(d) of the Crime Control Act of 1990, Public Law 101–647 (21 U.S.C. 862), denying Federal benefits under the programs established by title IV of the HEA to any individual convicted of a State or Federal offense for the distribution or possession of a controlled substance; and, through award year 2023–2024 following the implementation of the FAFSA Simplification Act on July 1, 2024, with the U.S. Department of Defense (DoD) to identify dependents of U.S. military personnel who died in service in Iraq and Afghanistan after September 11, 2001, to determine if they are eligible for increased amounts of

title IV, HEA program assistance, pursuant to sections 420R and 473(b) of the HEA (20 U.S.C. 1070h and 1087mm(b)), which will be replaced by Section 401(c) under the FAFSA Simplification Act.

During CPS and FPS processing, the Department's COD System sends information to these systems for students who have received a Federal Pell Grant. CPS and FPS use this information for verification analysis and for end-of-year reporting. These data elements include, but are not limited to: Verification Selection and Status, Potential Over-award Project (POP) indicator, Institutional Cost of Attendance, Reporting and Attended Campus Pell ID and Enrollment Date, and Federal Pell Grant Program information (Scheduled Federal Pell Grant Award, Origination Award Amount, Total Accepted Disbursement Amount, Number of Disbursements Accepted, Percentage of Eligibility Used At This Attended Campus Institution, and Date of Last Activity from the Origination or Disbursement table).

CPS and FPS also receive applicant information from the Department's NSLDS system each time an application is processed or corrected. Some of this information appears on the applicant's SAR or FSS and ISIR. Title IV, HEA award information is provided to NSLDS from several different sources. Federal Perkins Loan information and Federal Supplemental Educational Opportunity Grant (FSEOG) overpayment information is sent from IHEs or their third-party servicers; the Department's COD System provides Federal Pell Grant and Direct Loan data; and State and guaranty agencies provide information on FFEL loans received from lending institutions participating in the FFEL programs. Financial aid transcript information reported by NSLDS provides aid recipients, IHEs, and third-party servicers with information about the type(s), amount(s), dates, and overpayment status of prior and current title IV, HEA funds the aid recipient has received. Iraq and Afghanistan Service Grants information includes, but is not limited to, Total Award Amount. The Department obtains from and exchanges information that is included in this system of records with IHEs, third-party servicers, and State agencies. These eligible entities register with the SAIG system to participate in the information exchanges specified for their business processes.

During FPS processing, this system will receive the SAI information from the Department's FAS. The SAI is calculated using FTI that the IRS will provide directly to the Department under the FUTURE Act that will not be maintained in this system, but instead the system of records entitled "FUTURE Act System (FAS)" (18–11–23).

Additionally, for individuals who request assistance from the Department, directly or through State requestors and legal assistance organizations (“third-party requestors”), as these terms are defined in 34 CFR 685.401(a), who may request that the Secretary of Education form a group of Federal student loan borrowers for borrower defense relief, information is obtained from individuals (e.g., borrowers), their counsel or representatives, or students or their parents (when the individual is a borrower and depending on whether the individual is a parent or student), Federal agencies, State agencies, IHEs, lenders, private collection agencies, guaranty agencies, accreditors, and from other persons or entities from whom or from which data is obtained following a disclosure under routine uses set forth below.

Note: Some customer information that is retrieved from Federal Loan Servicers’ IT systems (covered by the system of records notice entitled “Common Services for Borrowers (CSB)” (18–11–16)) is accessible through *StudentAid.gov* to provide customers with payment and loan information and to enable customers to make loan payments as they would on the various Federal Loan Servicer websites. Information that is collected in this system is stored in and retrieved from the COD System (covered by the system of records notice entitled “Common Origination and Disbursement (COD) System” (18–11–02)) to allow: applicants and borrowers to submit Counseling (Entrance, Exit, Financial Awareness Counseling, PLUS, TEACH Grant Initial and Subsequent, TEACH Grant Exit, TEACH Grant Conversion), Master Promissory Note (MPN), Endorser Addendum, TEACH Grant Agreement to Serve or Repay (Agreement), Loan Consolidation, Income-Driven Repayment, PLUS Loan Request, and Annual Student Loan Acknowledgement (ASLA) applications through *StudentAid.gov*; credit check decision, credit appeal, and credit history information to be viewable on *StudentAid.gov* to support credit appeal processing; users to view and search the PSLF employer database as retrieved from the COD System and provide updates to employers’ information; and the PDF version of the PSLF/Temporary Expanded PSLF (TEPSLF) certification and application form that is generated from the PSLF Help Tool to be accessible. Information is also retrieved from the COD System to provide *StudentAid.gov* functionality for creating and updating customer records. The following information from the

EDMAPS system is accessible in the DCC IT system: customer information that is retrieved to allow real-time updates to a customer’s identifiers, demographic attributes, address, phone, and email contact details; SMS opt-in/out information for customer communication preferences to opt-in/out of receiving marketing information via text message; information for customers who have been identified by the Department and its contractors as having completed a customer satisfaction survey; information for borrowers who will be contacted by the Department because they have been identified by the Department as having potentially fraudulent activity from a TPDR company; and information on borrowers who have been identified by the Department and its contractors as being at risk for loan default.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

System records are paper-based and stored in locked rooms or electronic and stored on secured computer systems and in the cloud.

Fully processed paper applications and supporting paper documentation that are received on or before June 30, 2024, are stored for applicable periods in standard Federal Records Center boxes in locked storage rooms at the contractor facilities in London, Kentucky. Fully processed paper applications and supporting paper documentation requiring retention and received on or after July 1, 2024, will be stored in a private records storage facility, as applicable. The records storage facilities currently utilized are listed in the "System Location" section above.

Digitized paper applicant records, which include optically imaged documents, are stored on DADS (disks) in a virtual disk library, which is also electronic, in the computer facilities controlled by the Next Generation Data Center (NGDC) in Clarksville, VA.

Records that are collected in this system for applicants of Federal grants or loans are stored in the COD System for individuals who apply under one of the programs authorized under title IV of the HEA, including, but not limited to the: (1) Federal Pell Grant Program; (2) Federal Perkins Loans Program; (3) ACG Program; (4) National SMART Grant Program; (5) TEACH Grant Program; (6) Iraq and Afghanistan Service Grant Program; (7) Direct Loan Program, which includes Federal Direct Stafford/Ford Loans, Federal Direct Unsubsidized Stafford/Ford Loans and Federal Direct PLUS Loans and Federal Direct Consolidation Loans; (8) FFEL Program; and (9) FISL Program.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records in this system pertaining to a title IV, HEA loan applicant, borrower, or grant recipient are indexed and retrieved by a single data element, or a combination of the following data elements, to include SSN, name, DOB, the award year in which the applicant applied for title IV, HEA program assistance, and case tracking number. These data elements are also used to retrieve information of title IV, HEA

program applicants for and recipients of Federal grants or loans from the COD System (applicant information is collected in this system of records and stored in the COD System).

This system also uses a credit appeal identifier to retrieve credit appeal information from the COD System to support the credit appeal process.

Additionally, this system uses a combination of SSN, DOB, and name data elements to retrieve some records from Federal Loan Servicers' systems (covered by the system of records notice entitled "Common Services for Borrowers (CSB)" (18-11-16)) to allow customers to access their payment information, loan information and to make payments on *StudentAid.gov* as they would on the various Federal Loan Servicer websites.

This system also uses customer identifiers to retrieve customer information data from the EDMAPS system (covered by the system of records noticed entitled "Enterprise Data Management and Analytics Platform Services (EDMAPS) System" (18-11-22)) to allow real-time updates to customer information and communication preferences; and for the Department and its contractors to identify customers who have completed a customer satisfaction survey in the DCC system; who may have potential fraudulent activity from a TPDR company; and who may be at risk for loan default.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records maintained in this system are primarily retained and disposed of in accordance with the records schedules listed below. The Department has submitted amendments to these records schedules to NARA for its review and approval.

(a) Department Records Schedule 051: FSA National Student Loan Data System (NSLDS) (DAA-0441-2017-0004) (ED 051). (Records covered by ED 051 will not be destroyed until NARA-approved amendments to ED 051 are in effect, as applicable.)

(b) Department Records Schedule 052: Ombudsman Case Files (N1-441-09-21) (ED 052). (Records covered by ED 052 will not be destroyed until NARA-approved amendments to ED 052 are in effect, as applicable.)

(c) Department Records Schedule 072: FSA Application, Origination, and Disbursement Records (DAA-0441-2013-0002) (ED 072). (Records covered by ED 072 will not be destroyed until NARA-approved amendments to ED 072 are in effect, as applicable.)

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

All users of the system will have a unique user ID with a password. All physical access to the data housed at system locations is controlled and monitored by security personnel who check each individual entering the building for their employee or visitor badge. The IT systems employed by the Department offers a high degree of resistance to tampering and circumvention with firewalls, encryption, and password protection. This security system limits data access to Department and contract staff on a "need-to-know" basis and controls individual users' ability to access and alter records within the system. All interactions by users of the system are recorded.

In accordance with the Federal Information Security Management Act of 2002 (FISMA), as amended by the Federal Information Security Modernization Act of 2014, every Department system must receive a signed Authorization to Operate (ATO) from a designated Department official. The ATO process includes a rigorous assessment of security and privacy controls, a plan of actions and milestones to remediate any identified deficiencies, and a continuous monitoring program.

FISMA controls implemented are comprised of a combination of management, operational, and technical controls, and include the following control families: access control, awareness and training, audit and accountability, security assessment and authorization, configuration management, contingency planning, identification and authentication, incident response, maintenance, media protection, physical and environmental protection, planning, personnel security, privacy, risk assessment, system and services acquisition, system and communications protection, system and information integrity, and program management.
