

**OFFICE OF THE UNITED STATES
TRADE REPRESENTATIVE**

[Docket No. WTO/DS382]

**WTO Dispute Settlement Proceeding
Regarding United States—Anti-
Dumping Administrative Reviews and
Other Measures Related to Imports of
Certain Orange Juice From Brazil**

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (“USTR”) is providing notice that on August 20, 2009, Brazil requested the establishment of a panel under the *Marrakesh Agreement Establishing the World Trade Organization* (“WTO Agreement”) concerning certain issues relating to the imposition by the United States of antidumping measures on certain orange juice from Brazil. That request may be found at <http://www.wto.org> contained in a document designated as WT/DS382/4. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before October 25, 2009, to be assured of timely consideration by USTR.

ADDRESSES: Comments should be submitted electronically to <http://www.regulations.gov>, docket number USTR–2008–0044. If you are unable to provide submissions by <http://www.regulations.gov>, please contact Sandy McKinzy at (202) 395–9483 to arrange for an alternative method of transmission. FOR FURTHER INFORMATION CONTACT: Leigh Bacon, Associate General Counsel, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20508, (202) 395–5859.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 2527(b)(1)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Consistent with this obligation, USTR is providing notice that Brazil has requested the establishment of a dispute settlement panel pursuant to the WTO *Understanding on Rules and Procedures*

Governing the Settlement of Disputes (“DSU”). If such a panel is established pursuant to the DSU, such panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations within nine months after it is established.

Major Issues Raised by Brazil

In its request for establishment of a panel, Brazil challenges what it refers to as the “methodology of ‘model zeroing’ and/or U.S. ‘zeroing procedures’” in the Department of Commerce’s anti-dumping duty investigation of certain orange juice from Brazil,¹ the “methodology of ‘simple zeroing’ and/or U.S. ‘zeroing procedures’ in the first and second administrative reviews of the anti-dumping duty order on certain orange juice from Brazil,² and the “continued use of the U.S. ‘zeroing procedures’ in successive anti-dumping proceedings, in relation to the anti-dumping duty order issued in respect of imports of certain orange juice from Brazil.” Brazil alleges inconsistencies with the obligations of the United States under Articles 2.1, 2.4.2, 2.4, 9.3, and 18.4 of the *Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994*, Articles II:1(a), II:1(b), VI:1, and VI:2 of the *General Agreement on Tariffs and Trade 1994*, and Article XVI:4 of the WTO Agreement.
