List of Programs Eligible for Inclusion in Fiscal Year 2007 Funding Agreements To Be Negotiated With Self-Governance Tribes

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: This notice lists programs or portions of programs that are eligible for inclusion in Fiscal Year 2007 funding agreements with self-governance tribes and lists programmatic targets pursuant to section 405(c)(4) of the Tribal Self-Governance Act.

DATES: This notice expires on September 30, 2007.

ADDRESSES: Inquiries or comments regarding this notice may be directed to the American Indian Liaison Office, 1201 Eye Street, NW., (Org. 2560, 9th Floor), Washington, DC 20005.

SUPPLEMENTARY INFORMATION:

I. Background

Title II of the Indian Self-Determination Act Amendments of 1994 (Pub. L. 103–413, the “Tribal Self-Governance Act” or the “Act”) instituted a permanent self-governance program at the Department of the Interior (DOI). Under the self-governance program certain programs, services, functions, and activities, or portions thereof, in DOI bureaus other than the Bureau of Indian Affairs (BIA) are eligible to be planned, conducted, consolidated, and administered by a self-governance tribal government.

Under section 405(c) of the Act, the Secretary of the Interior is required to publish annually: (1) A list of non-BIA programs, services, functions, and activities, or portions thereof, that are eligible for inclusion in agreements negotiated under the self-governance program; and (2) programmatic targets for these bureaus.

Under the Act, two categories of non-BIA programs are eligible for self-governance funding agreements (AFAs):

(1) Under section 403(b)(2) of the Act, any non-BIA program, service, function or activity that is administered by DOI that is “otherwise available to Indian tribes or Indians,” can be administered by a tribal government through a self-governance funding agreement. The Department interprets this provision to authorize the inclusion of programs eligible for self-determination contracts under Title I of the Indian Self-Determination and Education Assistance Act (Pub. L. 93–638, as amended). Section 403(b)(2) also specifies “nothing in this subsection may be construed to provide any tribe with a preference with respect to the opportunity of the tribe to administer programs, services, functions and activities, or portions thereof, unless such preference is otherwise provided by law.”

(2) Under section 403(c) of the Act, the Secretary may include other programs, services, functions, and activities or portions thereof that are of “special geographic, historical, or cultural significance” to a self-governance tribe.

Under section 403(k) of the Act, funding agreements cannot include programs, services, functions, or activities that are inherently Federal or where the statute establishing the existing program does not authorize the
