Extension:

Rule 13f-1 [17 CFR 240.13f-1], SEC File
No. 270-22, OMB Control No. 3235-
0006.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 13(f)¹ of the Securities Exchange Act of 1934² (the "Exchange Act") empowers the Commission to: (1) Adopt rules that create a reporting and disclosure system to collect specific information; and (2) disseminate such information to the public. Rule 13f-1³ under the Exchange Act requires institutional investment managers that exercise investment discretion over accounts—having in the aggregate a fair market value of at least \$100,000,000 of exchange-traded or NASDAQ-quoted equity securities—to file quarterly reports with the Commission on Form 13F.

The information collection requirements apply to institutional investment managers that meet the \$100 million reporting threshold. Section 13(f)(5) of the Exchange Act defines an "institutional investment manager" as any person, other than a natural person, investing in or buying and selling securities for its own account, and any person exercising investment discretion with respect to the account of any other person. Rule 13f-1(b) under the Exchange Act defines "investment discretion" for purposes of Form 13F reporting.

The reporting system required by Section 13(f) of the Exchange Act is intended, among other things, to create in the Commission a central repository of historical and current data about the investment activities of institutional investment managers, and to improve the body of factual data available to regulators and the public.

The Commission staff estimates that 2,472 respondents make approximately 9,888 responses under the rule each year. The staff estimates that on average, Form 13F filers spend 98.8 hours/year to prepare and submit the report. In addition, the staff estimates that 294 respondents file approximately 1,176 amendments each year. The staff estimates that on average, Form 13F filers spend 4 hours/year to prepare and submit amendments to Form 13F. The total annual burden of the rule's requirements for all respondents therefore is estimated to be 245,409.6 hours ((2,472 filers × 98.8 hours) + (294 filers × 4 hours)).

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the collections of information are necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burdens of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: July 16, 2003.

Jill M. Peterson,

Assistant Secretary.

Rule 27e-1 and Form N-27E-1, SEC File
No. 270-486, OMB Control No. 3235-
0545.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information under the Investment Company Act of 1940 ("Act") summarized below. The Commission plans to submit these collections of information to the Office of Management and Budget for approval.

Rule 27e-1 [17 CFR 270.27e-1] is entitled "Requirements for Notice to be Mailed to Certain Purchasers of Periodic Payment Plan Certificates Sold Subject to Section 27(d) of the Act." Form N-27E-1 is entitled "Notice to Periodic Payment Plan Certificate Holders of 18 Month Surrender Rights with Respect to Periodic Payment Plan Certificates." Form N-27E-1, which is prescribed by rule 27e-1 in order to implement the statutory mandate in section 27(e) of the Act, serves to notify holders of periodic payment plan certificates who have missed certain payments of their surrender rights with respect to the certificates. The Form N-27E-1 notice, which is sent directly to holders of periodic payment plan certificates, serves to alert purchasers of periodic payment plans of their rights in connection with their plan certificates.

Commission staff estimates that there are fewer than five issuers of periodic payment plan certificates affected by rule 27e-1. The frequency with which each of these issuers or their representatives must file the Form N-27E-1 notice varies with the number of periodic payment plans sold and the number of certificate holders who miss payments. The staff spoke with representatives of a number of firms in the industry that currently have periodic payment plan accounts. Based upon these conversations, the staff estimates that 3 respondents send out approximately 2,965 notices a year through completely automated processes. These estimates are based on an informal survey of representatives of several entities and are not derived from a comprehensive or necessarily even representative study of the cost of the Commission's rules and forms.

Complying with the collection of information requirements of rule 27e-1 is mandatory for issuers of periodic payment plans or their depositors or underwriters in the event holders of plan certificates miss certain payments
