Abstract: NCUA is seeking renewal of the approval for the information

collection conducted under the Bank Secrecy Act (BSA) (31 U.S.C. 5318(g)) requiring reports of suspicious transactions on a consolidated suspicious activity report (SARs) form. This information collection simplified the process through which banks inform their regulators and law enforcement about suspected criminal activity. A SAR is to be filed no later than 30 calendar days from the date of the initial detection of facts that may constitute a basis for filing a SAR. If no suspect can be identified, the period for filing a SAR is extended to 60 days. FinCEN and law enforcement agencies use the information on BSA–SARs and the supporting documentation retained by the banks for criminal investigation and prosecution purposes.

Affected Public: Federally Insured Credit Unions.

Respondents: Any NCUA-supervised institution wishing to obtain an exemption from the Suspicious Activity Report requirements.
