## II. Written Statements or Brief and Requests To Present Oral Testimony

Written statements or briefs shall provide a description of the information to be presented or position taken and shall be legibly typed or printed. Requests to present oral testimony shall include the name, address, and telephone number of the witness, the organization represented, if any, and any other information pertinent to the request. Five copies of a statement or brief and a single copy of a request to present oral testimony shall be submitted to the NAO at the time of filing.

No request to present oral testimony will be considered unless accompanied by a written statement or brief. A request to present oral testimony may be denied if the written statement or brief suggests that the information sought to be provided is unrelated to the review of the submission or for other appropriate reasons. The NAO will notify each requester of the disposition of the request to present oral testimony.

In presenting testimony, the witness should summarize the written statement or brief, may supplement the written statement or brief with relevant information, and should be prepared to answer questions from the Secretary of the NAO or the Secretary's designee. Oral testimony will ordinarily be limited to a ten minute presentation, not including the time for questions. Persons desiring more than ten minutes for their presentation should so state in the request, setting out reasons why additional time is necessary.

The requirements relating to the submission of written statements or briefs and requests to present oral testimony may be waived by the Secretary of the NAO for reasons of equity and public interest.
