Certain Structural Steel Beams From China, Germany, Italy, Luxembourg, Russia, South Africa, Spain, and Taiwan

Determinations

On the basis of the record ¹ developed in the subject investigations, the United States International Trade Commission determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from China, Germany, Italy, Luxembourg, Russia, South Africa, Spain, and Taiwan of certain structural steel beams, provided for in subheadings 7216.32.00, 7216.33.00, 7216.50.00, 7216.61.00, 7216.69.00, 7216.91.00, 7216.99.00, 7228.70.30, and 7228.70.60 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV).

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations.

The Commission will issue a final phase notice of scheduling, which will be published in the Federal Register as provided in § 207.21 of the Commission's rules, upon notice from the Department of Commerce of affirmative preliminary determinations in the investigations under section 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in these investigations under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On May 23, 2001, a petition was filed with the Commission and Commerce by counsel on behalf of Northwestern Steel & Wire Co., Sterling, IL; Nucor Corp., Charlotte, NC; Nucor-Yamato Steel Co., Blytheville, AR; and TXI-Chaparral Steel Co., Midlothian, TX, alleging that an industry in the United States is materially injured and threatened with material injury by reason of LTFV imports of structural steel beams from China, Germany, Italy, Luxembourg, Russia, South Africa, Spain, and Taiwan. Accordingly, effective May 23, 2001, the Commission instituted antidumping duty investigations Nos. 731-TA-935-942 (Preliminary).
