## MILLENNIUM CHALLENGE CORPORATION

[MCC FR 07-09]

### Report on Countries That Are Candidates for Millennium Challenge Account Eligibility in Fiscal Year 2008 and Countries That Would Be Candidates but for Legal Prohibitions

**AGENCY:** Millennium Challenge Corporation.

**ACTION:** Notice.

**SUMMARY:** Section 608(d) of the Millennium Challenge Act of 2003 requires the Millennium Challenge Corporation to publish a report that identifies countries that are "candidate countries" for Millennium Challenge Account assistance during FY 2008. The report is set forth in full below.

### Report on Countries That Are Candidates for Millennium Challenge Account Eligibility for Fiscal Year 2008 and Countries That Would Be Candidates but for Legal Prohibitions

This report to Congress is provided in accordance with section 608(a) of the

Millennium Challenge Act of 2003, 22 U.S.C. 7701, 7707(a) (Act).

The Act authorizes the provision of Millennium Challenge Account (MCA) assistance to countries that enter into Compacts with the United States to support policies and programs that advance the progress of such countries achieving lasting economic growth and poverty reduction. The Act requires Millennium Challenge Corporation (MCC) to take a number of steps in determining the countries that will be eligible for MCA assistance for Fiscal Year (FY) 2008 based on a country's demonstrated commitment to (i) Just and democratic governance, (ii) economic freedom and investing in their people, and (iii) the opportunity to reduce poverty and generate economic growth in the country. These steps include the submission of reports to the congressional committees specified in the Act and the publication of notices in the **Federal Register** that identify:

1. The countries that are "candidate countries" for MCA assistance for FY 2008 based on their per-capita income levels and their eligibility to receive assistance under U.S. law and countries that would be candidate countries but for specified legal prohibitions on assistance (Section 608(a) of the Act);

2. The criteria and methodology that the MCC Board of Directors (Board) will use to measure and evaluate the relative policy performance of the "candidate countries" consistent with the requirements of subsections (a) and (b) of section 607 of the Act in order to select "MCA eligible countries" from among the "candidate countries" (Section 608(b) of the Act); and

3. The list of countries determined by the Board to be "MCA eligible countries" for FY 2008, with a justification for such eligibility determination and selection for compact negotiation, including which of the MCA eligible countries the Board will seek to enter into MCA Compacts (Section 608(d) of the Act).

This report is the first of three required reports listed above.

### Candidate Countries for FY 2008

The Act requires the identification of all countries that are candidates for MCA assistance for FY 2008 and the identification of all countries that would be candidate countries but for specified legal prohibitions on assistance. Sections 606(a) and (b) of the Act provide that for FY 2008 a country shall be a candidate for the MCA if it:

- Meets one of the following two income level tests:
  - Has a per capita income equal to or less than the historical ceiling of the

International Development Association eligibility for the fiscal year involved (or \$1,735 gross national income (GNI) per capita for FY 2008) (the “low income category”); or

- Is classified as a lower middle income country in the then most recent edition of the World Development Report for Reconstruction and Development published by the International Bank for Reconstruction and Development and has an income greater than the historical ceiling for International Development Association eligibility for the fiscal year involved (or \$1,736 to \$3,595 GNI per capita for FY 2008) (the “lower middle income category”); and

- Is not ineligible to receive U.S. economic assistance under Part I of the Foreign Assistance Act of 1961, as amended, (the “Foreign Assistance Act”), by reason of the application of the Foreign Assistance Act or any other provision of law.

Pursuant to section 606(c) of the Act, the Board has identified the following countries as candidate countries under the Act for FY 2008. In so doing, the Board has anticipated that prohibitions against assistance as applied to countries in the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 2006 (P.L. 109–102) (FY 2006 FOAA), as carried forward for FY 2007 by the Revised Continuing Appropriations Resolution, 2007 (P.L. 110–5) (FY 2007 CR), will again apply for FY 2008, even though the Foreign Operations, Export Financing and Related Programs Appropriations Act for FY 2008 has not yet been enacted and certain findings under other statutes have not yet been made. As noted below, MCC will provide any required updates on subsequent changes in applicable legislation or other circumstances that affects the status of any country as a candidate country for FY 2008.
