#### *B. Self-Regulatory Organization's Statement of Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

#### *C. Self-Regulatory Organization's Statement on Comments Regarding the Proposed Rule Change Received From Members, Participants or Others*

No written comments were either solicited or received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing rule change does not:

- (1) Significantly affect the protection of investors or the public interest;
- (2) Impose any significant burden on competition; and
- (3) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, and the Exchange provided the Commission with written notice of its intent to file the proposed rule change at least five days prior to the filing date, it has become effective pursuant to section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6) thereunder.<sup>11</sup> At any time within 60 days of the filing of such rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purpose of the Act.

The Exchange requested that the Commission accelerate the operative date of the proposed rule change. The Commission believes that accelerating the operative date of the proposed rule change is consistent with the protection of investors and the public interest. The Commission notes that the substance of the proposed rule change has already been subject to a full notice and comment period as part of another proposal, which was approved by the Commission.<sup>12</sup> The instant proposed rule change simply amends another Exchange rule to be consistent with the previously approved change. As a result, the Commission designates the proposed rule change to be effective and operative upon filing with the Commission.<sup>13</sup>

### **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. ### **SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-46756; File No. SR-NASD-2002-156]

#### **Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the National Association of Securities Dealers, Inc., Relating to the Primex Auction System'**

October 31, 2002.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on October 31, 2002, the National Association of Securities Dealers, Inc., through its subsidiary The Nasdaq Stock Market, Inc. ("Nasdaq"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and

III below, which Items have been prepared by Nasdaq. Nasdaq has designated this proposal as effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act,<sup>3</sup> and subparagraph (f)(2) of Rule 19b-5.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

Nasdaq is filing a proposed rule change to continue operating Nasdaq's application of the Primex Auction System" ("Primex" or "System") as a Pilot Trading System, pursuant to Rule 19b-5 of the Act,<sup>5</sup> until November 30, 2002, or until the Commission permanently approves Primex, whichever period is shorter. Pursuant to paragraph (f) of Rule 19b-5,<sup>6</sup> Nasdaq is filing this proposed rule change as effective immediately. This filing does not propose any rule language changes.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### *A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

#### **1. Purpose**

The Primex Auction System is a facility of Nasdaq that has been operating as a Pilot Trading System ("PTS"), as defined in paragraph (c)(2) of Rule 19b-5 of the Act.<sup>7</sup> As such, Nasdaq was not required to file a proposed rule change under Rule 19b-4 of the Act<sup>8</sup> as long as the Primex maintained its status as a PTS. Under paragraph (c)(2) of Rule 19b-5, a system

<sup>11</sup> 17 CFR 240.19b-4(f)(6).

<sup>12</sup> See note 6, *supra*.

<sup>13</sup> For purposes only of accelerating the operative date of this proposal, the Commission has

considered the proposed rule's impact on efficiency, competition, and capital formation.

must comply with three criteria to maintain its status as a PTS.<sup>9</sup> One such criteria is that, for each security traded in the PTS, the PTS cannot trade more than one percent of the average daily consolidated trading volume of any such security, during at least two of the last four consecutive calendar months. Nasdaq represents that Primex exceeded this threshold for many securities. Therefore, Nasdaq filed a proposed rule change seeking permanent approval of Primex.<sup>10</sup> Nasdaq also filed a proposed rule change to continue operating the System for up to six months while the Commission considered granting permanent approval.<sup>11</sup> This six-month period expires on October 31, 2002. The Commission is still considering Nasdaq's filing seeking permanent approval of Primex. Accordingly, Nasdaq is filing this proposed rule change to continue operating Primex as a PTS until November 30, 2002, or until the Commission grants permanent approval, whichever period is shorter. Primex continues to operate in the manner described in the Form PILOT filing, as amended.<sup>12</sup>

## 2. Statutory Basis

Nasdaq believes the proposed rule change is consistent with the provisions of Sections 15A(b)(6)<sup>13</sup> and 11A(a)(1) of the Act.<sup>14</sup> Section 15A(b)(6) of the Act<sup>15</sup> requires the rules of the NASD to be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and not be designed to

permit unfair discrimination between customers, issuers, brokers, or dealers. Section 11A(a)(1) of the Act<sup>16</sup> sets forth a finding of Congress that new data processing and communications techniques create opportunity for more efficient and effective market operations.

Nasdaq believes this proposed rule change is consistent with the NASD's obligations under the Act, as well as the finding of Congress, because it will allow Nasdaq to continue operating Primex while the Commission considers permanent approval. Among other things, the System provides members with an additional electronic, execution system, which is designed to provide members with flexibility in executing orders and the opportunity to obtain price improvement. To ensure the protection of investors, orders will not be executed at prices inferior to the National Best Bid or Offer.

## B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

## C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to section 19(b)(3)(A)(iii) of the Act,<sup>17</sup> and subparagraph (f)(2) of Rule 19b-5 thereunder,<sup>18</sup> because the proposal will permit Nasdaq to continue operating Primex as a PTS while the Commission considers granting permanent approval. The proposal does not modify any rule or the operation of Primex.

At any time within 60 days of the filing of a rule change pursuant to Section 19(b)(3)(A) of the Act,<sup>19</sup> the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to File No. SR-NASD-2002-156 and should be submitted by November 29, 2002.
