

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁷ Specifically, the Exchange also believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁸ which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities. The proposed adoption of the monthly \$500 per port fee is reasonable because the fee is within the same range as those assessed on other exchanges, and because MDX must recoup the costs of upgrading and maintaining the equipment involved in the ports, as well as cover other administrative costs.⁹ The proposed adoption of the port fee is equitable and not unfairly discriminatory because it will be assessed to all market participants equally.

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)¹⁰ of the Act and paragraph (f) of Rule 19b-4¹¹ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66486; File No. SR-CBOE-2012-016]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Schedule of Market Data Express, LLC

February 28, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 15, 2012, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Fee Schedule of Market Data Express, LLC ("MDX"), an affiliate of CBOE. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to establish a monthly fee of \$500 per data port that MDX will charge for access to certain market data with respect to the trading of options on CBOE's market.³

CBOE currently collects and processes market data with respect to options quotes and orders and the prices of trades that are executed on the Exchange. This market data includes the "best bid and offer," or "BBO", consisting of all outstanding quotes and standing orders at the best available price level on each side of the market, with aggregate size ("BBO data," sometimes referred to as "top of book data"). Data with respect to executed trades is referred to as "last sale" data. CBOE formats its BBO data and last sale data according to Options Price Reporting Authority ("OPRA") specifications and sends the data to OPRA for redistribution to the public.

MDX provides to "Customers"⁴ a real-time, low latency data feed that includes the CBOE BBO data and last sale data. (This data feed is sometimes referred to in this filing as the "BBO Data Feed"). The BBO and last sale data contained in the BBO Data Feed is identical to the data that CBOE sends to OPRA.⁵ In addition, the BBO Data Feed includes certain data that is not included in the data sent to OPRA, namely, totals of customer versus non-customer contracts at the BBO, All-or-None contingency orders priced better than or equal to the BBO, and BBO data and last sale data for complex strategies (e.g., spreads, straddles, buy-writes, etc.).

³ The Commission notes that the MDX Fee Schedule is available at <https://www.cboe.org/MDX/CSM/OBOOKMain.aspx>.

⁴ A "Customer" is any entity that receives the BBO Data Feed directly from MDX's system and then distributes it either internally or externally to Subscribers. A "Subscriber" is a person (other than an employee of a Customer) that receives the BBO Data Feed from a Customer for its own internal use.

⁵ The Exchange notes that MDX makes available to Customers the BBO data and last sale data that is included in the BBO Data Feed no earlier than the time at which the Exchange sends that data to OPRA. The Exchange also notes that it also makes the BBO data and last sale data that is included in the BBO Data Feed available directly to its Trading Permit Holders, and permits them to redistribute the data to their customers.

MDX currently charges Customers a "direct connect fee" of \$3,500 per connection per month as well as a "per user fee" of \$25 per month per "Authorized User" or "Device" for receipt of the BBO Data Feed by Subscribers. An "Authorized User" is defined as an individual user (an individual human being) who is uniquely identified (by user ID and confidential password or other unambiguous method reasonably acceptable to MDX) and authorized by a Customer to access the BBO Data Feed supplied by the Customer. A "Device" is defined as any computer, workstation or other item of equipment, fixed or portable, that receives, accesses and/or displays data in visual, audible or other form. Either a CBOE Trading Permit Holder or a non-CBOE Trading Permit Holder may be a Customer. All Customers are assessed the same fees.

MDX provides ports that allow Customers to direct connect to MDX to receive the data feed. Currently, such ports are provided to Customers free of charge. However, MDX recently made an investment to upgrade the equipment involved in the ports, and maintenance and upkeep of such ports has gotten costly, as well. As such, MDX proposes to assess a monthly fee of \$500 per data port in order to recoup such costs and maintain such equipment in the future, as well as cover other administrative costs. This amount is similar to the amount of fees assessed by other exchanges for access to similar data feed ports.⁶

The proposed fees would be implemented on March 1, 2012.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁷ Specifically, the Exchange also believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁸ which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other

("EDGA") and EDGX Exchange, Inc. ("EDGX") each assess a monthly fee of \$500 per port for access to logical ports used to receive market data) and also Rule 7015(g) of the NASDAQ Stock Market LLC ("NASDAQ") (in which NASDAQ assesses a monthly fee of \$600 per Internet port that is used to deliver market data).

persons using its facilities. The proposed adoption of the monthly \$500 per port fee is reasonable because the fee is within the same range as those assessed on other exchanges, and because MDX must recoup the costs of upgrading and maintaining the equipment involved in the ports, as well as cover other administrative costs.⁹ The proposed adoption of the port fee is equitable and not unfairly discriminatory because it will be assessed to all market participants equally.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)¹⁰ of the Act and paragraph (f) of Rule 19b-4¹¹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66483; File No. SR-NYSEARCA-2012-016]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Filing the Content Outline and Selection Specifications for the Proprietary Traders Qualification Examination ("Series 56") Program

February 28, 2012.

Pursuant to Section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the "Act") ² and Rule 19b-4 thereunder, ³ notice is hereby given that, on February 17, 2012, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to file the content outline and selection specifications for the Proprietary Traders Qualification Examination ("Series 56") program. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and www.nyse.com.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Recently, the Exchange filed a proposed rule change to recognize a new category of limited representative registration for proprietary traders.⁴ Specifically, the Exchange will recognize the new registration category, "Proprietary Trader," and the new examination, the Series 56. The new Proprietary Trader category will be limited to persons engaged solely in proprietary trading.

The Exchange has been working with the Financial Industry Regulatory Authority ("FINRA") and certain other exchanges, many of which have recently enhanced their registration requirements to require the registration of associated persons,⁵ to develop the content outline and qualification examination that would be applicable to proprietary traders. The Series 56 examination program is shared by the Exchange and the following self-regulatory organizations ("SROs"): Boston Options Exchange; C2 Options Exchange, Incorporated; Chicago Board Options Exchange, Incorporated; Chicago Stock Exchange, Incorporated; International Securities Exchange, LLC; The NASDAQ Stock Market, NASDAQ OMX BX, Inc.; NASDAQ OMX PHLX LLC; National Stock Exchange, Incorporated; New York Stock Exchange LLC; and NYSE Amex LLC. Upon request by the SROs referenced above, FINRA staff convened a committee of industry representatives, Exchange staff and staff from the other SROs referenced above to develop the criteria for the Series 56 examination program. Certain exchanges have submitted filings to the Commission to utilize the Series 56.⁶

The Series 56 examination tests a candidate's knowledge of proprietary trading generally and the industry rules applicable to trading of equity securities and listed options contracts. The Series 56 examination covers, among other things, recordkeeping and recording requirements; types and characteristics of securities and investments; trading practices; and display, execution, and trading systems. While the examination
