SUPPLEMENTARY INFORMATION:

Title: PTIN Supplemental Application For Foreign Persons Without a Social Security Number.

OMB Number: 1545-2189.

Form Number: 8946.

Abstract: Form 8946 is used by foreign persons without a social security number (SSN) who want to prepare tax returns for compensation. Foreign persons who are tax return preparers must obtain a preparer tax identification number (PTIN) to prepare tax returns for compensation. Generally, the IRS requires an individual to provide an SSN to get a PTIN. Because foreign persons cannot get an SSN, they must file Form 8946 to establish their identity and status as a foreign person.

Current Actions: There were editorial edits made to the internal only box of form 8946. However, these edits did not affect the burden estimates.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses and other for-profit organizations.

Estimated Time per Respondent: 5.27 hrs.

Estimated Total Annual Burden Hours: 23,536.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) whether the collection of information

is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
