BILLING CODE 4140-01-P

DEPARTMENT OF HOMELAND SECURITY

Transportation Security Administration

Revision of Agency Information Collection Activity Under OMB Review: Pipeline Corporate Security Reviews and Security Directives

AGENCY: Transportation Security Administration, DHS.

ACTION: 30-day notice.

SUMMARY: This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0056, abstracted below, to OMB for review and approval of a revision of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. This collection combines TSA's voluntary Pipeline Corporate Security

Review (PCSR) program with the mandatory requirements under the TSA Security Directive (SD) Pipeline-2021-02 series. The collection allows TSA to assess the current security practices in the pipeline industry through TSA's PCSR program, which is part of the larger domain awareness, prevention, and protection program supporting TSA's and the Department of Homeland Security's missions. The collection also allows for the continued institution of mandatory cybersecurity requirements under the TSA SD Pipeline-2021-02 series. The updated ICR reflects changes to collection requirements based on TSA's update to the SD Pipeline-2021-02 series, released on July 21, 2022.

DATES: Send your comments by January 27, 2023. A comment to OMB is most effective if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under Review—Open for Public Comments" and by using the find function.

FOR FURTHER INFORMATION CONTACT:

Christina A. Walsh, TSA PRA Officer, Information Technology (IT), TSA-11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598-6011; telephone (571) 227-2062; email TSAPRA@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION: TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on October 3, 2022, 87 FR 59816.

This collection is separate from those associated with the requirements of TSA SD Pipeline 2021-01.¹

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information

collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Pipeline Corporate Security Reviews (PCSR) Security Directives.

Type of Request: Revision of a currently approved collection.

OMB Control Number: 1652-0056.

Form(s): Pipeline Corporate Security Review (PCSR) Protocol Form and documents submitted to TSA pursuant to the requirements in the Security Directive.

Affected Public: Hazardous Liquids and Natural Gas Pipeline Industry.

Abstract: Under the Aviation and Transportation Security Act² and delegated authority from the Secretary of Homeland Security, TSA has broad responsibility and authority for "security in all modes of transportation . . . including security responsibilities . . . over modes of transportation that are exercised by the Department of Transportation."³ Congress' specific recognition of TSA's responsibility for pipeline security is reflected in Sec. 1557 of the *Implementing Recommendations of the 9/11 Commission Act of 2007*, Public Law 110-53 (121 Stat. 266; Aug. 3, 2007). In addition, TSA has statutory authority to issue security directives (SDs) as necessary to protect transportation

² Public Law 107-71 (115 Stat. 597; Nov. 19, 2001), codified at 49 U.S.C. 114.

³ See 49 U.S.C. 114(d). The TSA Administrator's current authorities under the Aviation and Transportation Security Act have been delegated to him by the Secretary of Homeland Security. Section 403(2) of the Homeland Security Act (HSA) of 2002, Public Law 107-296 (116 Stat. 2135, Nov. 25, 2002), transferred all functions of TSA, including those of the Secretary of Transportation and the Under Secretary of Transportation of Security related to TSA, to the Secretary of Homeland Security. Pursuant to DHS Delegation Number 7060.2, the Secretary delegated to the Administrator of TSA, subject to the Secretary's guidance and control, the authority vested in the Secretary with respect to TSA, including that in section 403(2) of the HSA.

¹ There are three information collection requirements associated with TSA Security Directive Pipeline 2021-01. OMB control number 1652-0055 addresses two of them and OMB control number 1652-0050 addresses the third.
