SUPPLEMENTARY INFORMATION:

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

OMB Control Number 1652-0067; TSA Canine Training Center Adoption Application. The TSA Canine Program is a Congressionally-mandated program that operates as a partnership among TSA; aviation, mass transit, and maritime sectors; and State and local law enforcement. TSA operates the CTC Adoption Program in accordance with the Federal Management Regulations.

TSA developed the CTC to train and deploy explosive detection canine teams for TSA and for local, State, and Federal agencies in support of daily activities that protect the transportation domain. Canine teams consist of TSA employees, or local/State law enforcement officers, paired with explosives detection canines. These canine teams are trained on a variety of explosives and screening capabilities based on intelligence data and emerging threats. Canine teams are deployed after successfully undergoing a 10- or 12-week training program.

Of the canines purchased by TSA for purposes of the TSA Canine Program, approximately 83 percent graduate from the training program. These canines are continually assessed to ensure they demonstrate operational proficiency in their environment. The corresponding attrition rate is between 15-18 percent. Attrition arises from canines who do not graduate from the training program and those who successfully graduate, but are

later assessed as not performing at operational proficiency. CTC typically repurposes 42 percent of the canines eliminated from the program to other Federal, State, and local law enforcement agencies.

Canines that attrite out of the program and not repurposed for other government-purposes may be placed for adoption. TSA created the CTC Adoption Program to find suitable individuals or families to adopt the canines and to provide good homes. Individuals seeking to adopt a TSA canine must complete the CTC Adoption Application.

The CTC Adoption Application is an online application that collects personal information from members of the public to determine their suitability to adopt a TSA canine. TSA uses the information collected to evaluate the individual seeking to adopt a TSA canine against program guidelines developed by CTC. The collection includes information about the individual's household, personal references, and current pet and veterinarian information. In addition, the individual must agree to transport the canine home from CTC in San Antonio, Texas, and to provide any necessary medical care, including, but not limited to, heartworm and flea preventives, and annual vaccinations, for the duration of the canine's life. TSA also collects an attestation that all information submitted is true.

TSA estimates that annually 300 individuals will complete the adoption application and that it will take approximately 10 minutes or 0.1666 hours. This will give an estimated annual time burden to the public of 50 hours.

Dated: November 7, 2022.

TSA Paperwork Reduction Act Officer, Information Technology.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on August 8, 2022, at 87 FR 48194.

A. Overview of Information Collection

Title of Information Collection: HUD Standardized Grant Application Forms.

OMB Approval Number: 2501–0017.
Type of Request: This is a reinstatement with change of a currently approved collection.

Form Number: SF 424; SF LLL; Lobbying Form; SF 424–A; HUD 424–B; HUD 424–CB; HUD 424–CBW; HUD 424–M; HUD 2880.

Description of the need for the information and proposed use: Approval is sought for revision of the Information Collection Request of HUD standardized forms which are used by various HUD programs that use a competitive application process to award financial assistance. The HUD Common Budget Form—(HUD 424–CB), the Common Budget Form Worksheet (HUD 424–CBW), the Assurances and Certifications Form—(HUD 424–B), and the HUD Matrix (HUD–M) are used to offer standardized application forms. The Federal Financial Assistance Improvement Act of 1999 (Public Law 106–107, signed November 20, 1999) encourages standardization.

In addition, as noted under the Office of Management and Budget (OMB) Control Number heading, the collection references a number of government-wide forms, including forms from the Standard Form (SF) Family, which are used for all HUD applications and available on [grants.gov](https://www.grants.gov). The burden associated with these government-wide forms are reflected in separate OMB-sponsored government-wide information collections and are not reflected in this collection. Additional OMB control numbers applicable to government wide Standardized Forms (SF) are also noted in this collection. As the burden is accounted for in those separate collections, it is not included in this calculation.

Also, form HUD 96011 (formerly under OMB Approval No. 2535–0118) and form HUD 96010 (formerly under OMB number 2535–0114) are eliminated from this collection. Further, HUD combined into this collection form HUD 2880 Applicant/Recipient Disclosure/Update Report (formerly approved under OMB control number 2501–0032) to consolidate public input and burden into one OMB control number. The form HUD 2880 is also updated to reflect changes to the information respondents report in the Employee ID field under Part III of the form. For each person reported in Part III, HUD expects applicants to provide a unique ID that is not the person's social security number. Lastly, the updated form HUD 2880 includes

updates to the certification language, which now reads as follows:

I/We, the undersigned, certify under penalty of perjury that the information provided above is true, correct, and accurate. Warning: If you knowingly make a false statement on this form, you may be subject to criminal and/or civil penalties under 18 U.S.C. 1001. In addition, any person who knowingly and materially violates any required disclosures of information, including intentional non-disclosure, is subject to civil money penalty not to exceed \$10,000 for each violation.

All HUD-specific forms in this information collection have been modified to include updated Paperwork Reduction Act burden statements, in order to comply with 5 CFR 1320.8(b)(3). The burden statements now reads as follows:

The public reporting burden for this collection of information is estimated to average [X] hours per response, including the time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of the requested information. Comments regarding the accuracy of this burden estimate and any suggestions for reducing this burden can be sent to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th St. SW, Room 4176, Washington, DC 20410–5000. Do not send completed forms to this address. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. The information you provide will enable HUD to carry out its responsibilities under this Act and ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. This information is required to obtain the benefit sought in the HUD program. Failure to provide any required information may delay the processing of your application and may result in sanctions and penalties including of the administrative and civil money penalties specified under 24 CFR 4.38. This information will not be held confidential and may be made available to the public in accordance with the Freedom of Information Act (5 U.S.C. 552).

SUPPLEMENTARY INFORMATION: On August 25, 2022, HUD issued the "Notice of Annual Factors for Determining Administrative Fees for the Section 8 Housing Choice Voucher, Mainstream, and Moderate Rehabilitation Programs for Calendar Year 2022", at 87 FR 52393. The notice published omitted specific information and included incorrect website links. This notice replaces that notice in its entirety for added clarity but does not change the Annual Factors for Determining Administrative Fees.

A. Background

This Notice provides HUD's methodology used to determine the CY 2022 administrative fee rates by area, which HUD uses to determine PHA administrative fees for the HCV, Mainstream Vouchers, Emergency Housing Voucher (EHV) and Moderate Rehabilitation programs, including the Single Room Occupancy (SRO) program.

The HCV Program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Mainstream Vouchers are tenant-based vouchers serving households that include a non-elderly person with a disability. The Emergency Housing Voucher (EHV) program was authorized by the American Rescue Plan Act (ARPA) Public Law 117-2, enacted on March 11, 2021. Through EHV, HUD is providing 70,000 housing choice vouchers to local Public Housing Agencies (PHAs) in order to assist individuals and families who are homeless, at-risk of homelessness, fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing instability. The Moderate Rehabilitation Program
