

Judson, Indiana. HVRM requests this extension due to its limited weekend operating schedule and Chesapeake & Indiana Railroad's (CKIN) weekday schedule. On those few occasions each year where local communities have festivals, HVRM and CKIN maintain communication regarding HVRM's operation times.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at [www.regulations.gov](http://www.regulations.gov).

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted at <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Communications received by November 18, 2021 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable. Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), the U.S. Department of Transportation (DOT) solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to [www.regulations.gov](http://www.regulations.gov), as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. #### **SUPPLEMENTARY INFORMATION:**

##### **I. Meeting Agenda**

On October 20, 2021, the GPAC and LPAC will meet to discuss a variety of policy issues and topics relevant to both gas and liquid pipeline safety. On October 21, 2021, the GPAC and LPAC will meet to discuss the NPRM titled: "Periodic Updates of Regulatory References to Technical Standards and Miscellaneous Amendments" that PHMSA published in the **Federal Register** on January 15, 2021, (86 FR 3938). Comments that have been submitted on the NPRM can be found on <https://www.regulations.gov> in Docket No. PHMSA-2016-0002. The GPAC and LPAC will review the NPRM and its associated regulatory analysis. PHMSA will post additional details on the meeting website in advance of the meeting.

In the NPRM, PHMSA proposed to revise the Federal Pipeline Safety Regulations by updating over 25 consensus standards that are currently incorporated by reference. PHMSA also proposed to make non-substantive corrections to clarify regulatory language in certain provisions. The proposed editorial changes are minor and would not require pipeline operators to undertake new pipeline safety initiatives.

##### **II. Background**

The GPAC and LPAC are statutorily mandated advisory committees that provide PHMSA and the Secretary of Transportation with recommendations on proposed standards for the transportation of natural gas or hazardous liquids by pipeline. These committees were established in accordance with 49 U.S.C. 60115 and the Federal Advisory Committee Act, as amended (5 U.S.C. App. 2), to review PHMSA's regulatory initiatives and determine their technical feasibility, reasonableness, cost-effectiveness, and practicability. Each committee consists of 15 members, with membership evenly divided among federal and state governments, regulated industry, and the general public.

##### **III. Public Participation**

The meeting will be open to the public. Members of the public who wish to virtually attend must register on the meeting website and include their names and affiliations. PHMSA will provide members of the public with opportunities to make a statement during the course of this meeting. Additionally, PHMSA will record the meeting and post a record to the public docket. PHMSA is committed to providing all participants with equal access to this meeting. If you need an accommodation because of a disability, please contact Tewabe Asebe by phone at 202-366-5523 or by email at [tewabe.asebe@dot.gov](mailto:tewabe.asebe@dot.gov).

PHMSA is not always able to publish a notice in the **Federal Register** quickly enough to provide timely notice regarding last-minute issues that impact a previously announced advisory committee meeting. Therefore, individuals should check the meeting website or contact Tewabe Asebe regarding any possible changes.

Issued in Washington, DC, on September 28, 2021, under authority delegated in 49 CFR 1.97.
