Comments: We are soliciting written comments to:

(a) Evaluate whether the proposed data collection is necessary for the proper performance of our responsibilities, including whether the information will have practical utility;

(b) Evaluate the accuracy of our estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions that we used;

(c) Enhance the quality, utility, and clarity of the information to be collected;

(d) Minimize the burden of information collection on those who must respond, including permitting electronic submission of responses through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology; and

(e) Help FEMA to more accurately identify and quantify respondent costs.

DATES: Please send any comments on or before April 24, 2000.
