

§ 225.28(b)(8)(ii)(B) of Regulation Y; Greenwich NatWest Structured Financial Inc., Greenwich, Connecticut, and engage in permissible lending activities, pursuant to § 225.28(b)(1) of Regulation Y and leasing activities, pursuant to § 225.28(b)(6) of Regulation Y; and Greenwich Capital Commercial Funding Corp., Greenwich, Connecticut, a special purpose depository for commercial asset securitizations, which are lending activities pursuant to § 225.28(b)(1) of Regulation Y.

In addition, NatWest engages through Greenwich Capital Holdings, Inc., and its subsidiaries (or through any other subsidiary of NatWest) in acquiring debt in default, pursuant to § 225.28(b)(2)(vii) of Regulation Y.

Board of Governors of the Federal Reserve System, June 9, 2000.

Robert deV. Frierson,

Associate Secretary of the Board.

[FR Doc. 00-15053 Filed 6-13-00; 8:45 am]

BILLING CODE 6210-01-P

FEDERAL RESERVE SYSTEM

FEDERAL RESERVE SYSTEM ACT MEETING

AGENCY HOLDING THE MEETING: Board of Governors of the Federal Reserve System

TIME AND DATE: 11:00 a.m., Monday, June 19, 2000.

PLACE: Marriner S. Eccles Federal Reserve Board Building, 20th and C Streets, NW., Washington, DC 20551.

STATUS: Closed.

MATTERS TO BE CONSIDERED:

1. Personnel actions (appointments, promotions, assignments, reassignments, and salary actions) involving individual Federal Reserve System employees.

2. Any items carried forward from a previously announced meeting.

CONTACT PERSON FOR MORE INFORMATION: Lynn S. Fox, Assistant to the Board; 202-452-3204.

SUPPLEMENTARY INFORMATION: You may call 202-452-3206 beginning at approximately 5 p.m. two business days before the meeting for a recorded announcement of bank and bank holding company applications scheduled for the meeting; or you may contact the Board's Web site at <http://www.federalreserve.gov> for an electronic announcement that not only lists applications, but also indicates procedural and other information about the meeting.

Dated: June 9, 2000.

Robert deV. Frierson,

Associate Secretary of the Board.

[FR Doc. 00-15059 Filed 6-9-00; 4:25 pm]

BILLING CODE 6210-01-P

FEDERAL RESERVE SYSTEM

[Docket No. R-1072]

Privacy Act of 1974; Notice of New System of Records

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice of new system of records; correction.

SUMMARY: In accordance with the Privacy Act, the Board of Governors of the Federal Reserve System (Board) is adopting in final a recently published new system of records, entitled Multi-rater Feedback Records (BGRS-25). One minor revision has been made to the initial notice, which was published on May 30, 2000.

DATES: This correction is effective June 28, 2000.

FOR FURTHER INFORMATION CONTACT:

Elaine M. Boutilier, Managing Senior Counsel, Legal Division (202/452-2418), or Chris Fields, Manager, Human Resources Function, Management Division (202/452-3654), Board of Governors of the Federal Reserve System, 20th and Constitution, NW., Washington, DC 20551.

SUPPLEMENTARY INFORMATION:

Background

On May 30, 2000, the Board published a notice of a new system of records entitled Multi-rater Feedback Records (65 FR 34471). Comments on the proposed system of records were requested, and the notice stated that the new system of records would become effective on June 28, 2000, without further action, unless the Board published a notice to the contrary.

Need for Correction

In the **Federal Register** of May 30, 2000, in FR Doc. 00-13126, on page 34472, in the second column remove routine use "h," and redesignate routine uses "i" and "j" as "h" and "i", respectively. Otherwise, the system of records remains as proposed and will become effective on June 28, 2000, as stated in the earlier notice.

Because this is a minor change, no reports are required to be filed with the Chair of the House Committee on Government Reform and Oversight, the Chair of the Senate Committee on Governmental Affairs, or the Office of Management and Budget.

By order of the Board of Governors of the Federal Reserve System, acting through the Secretary of the Board under delegated authority, June 8, 2000.

Jennifer J. Johnson,

Secretary of the Board.

[FR Doc. 00-14934 Filed 6-3-00; 8:45 am]

BILLING CODE 6210-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Committee on Vital and Health Statistics: Meeting

Pursuant to the Federal Advisory Committee Act, the Department of Health and Human Services announces the following advisory committee meeting.

Name: National Committee on Vital and Health Statistic (NCVHS). Joint Meeting: National Health Information Infrastructure Workgroup and Health Statistics for the 21st Century Workgroup.

Time and Date: 9 a.m. to 5 p.m., July 10, 2000.

Place: The Westin Hotel O'Hare, 6100 River Road, Rosemont, IL 60018.

Status: Open.

Purpose: This meeting will be conducted as a hearing is to solicit opinions for the public, including oral and written testimony, about the issues raised in the interim reports of these two workgroups: "Toward a National Health Information Infrastructure" and "Shaping a Vision for 21st Century Health Statistics." The reports may be downloaded from the NCVHS homepage at <http://www.ncvhs.hhs.gov/>. The hearing will explore the overall concept that a National Health Information Infrastructure (NHII) is a framework that can link health improvements and information technologies. As envisioned in the interim report, the NHII is the set of technologies, standards, applications, systems, values, and law that support all facets of individual health, health care, and public health. The broad goal of the NHII is to deliver information to individuals—consumers, patients, and professionals—when and where they need it, so they can use this information to make informed decisions about health and health care.

The hearing will also seek comments about major trends and issues in population health and their implications for future information needs described in the report, "Shaping a Vision for 21st Century Health Statistics." The report outlines themes that have emerged from national consultations involving health statistics users, public health providers, advocacy groups and health care providers at local, state, and Federal levels. The national consultative process has helped to identify trends and gaps in shaping the vision, as well as cross-cutting issues involved. Ten principles have emerged as essential qualities to developing the health statistics Vision.

Person representing a variety of public and private sector interests will be invited to

present their views on the issues raised in the interim reports. There also will be an opportunity for comments from the audience. The July hearing is the first of a series of joint public hearings to be conducted in several regions of the country through the fall of 2000 to solicit testimony on the reports. Information from the hearings will be incorporated as definitive statements in the final reports expected to be completed in early 2001.

Persons who would like to make a brief oral comment (3–5 minutes) during the July hearing will be placed on the agenda as time permits. To be included on the agenda, please submit testimony by June 26, 2000, to Patrice Upchurch at (301) 458–4540, by e-mail at pupchurch@cdc.gov, or postal address at NCHS, Presidential Building, Room 1100, 6525 Belcrest Road, Hyattsville, Maryland 20782. Persons wishing to submit written testimony only (no more than 2–3 typewritten pages) should also adhere to the due date of June 26, 2000. Please consult Ms. Upchurch for further information about these arrangements. Additional information about the meeting will be provided on the NCVHS homepage at <http://www.ncvhs.hhs.gov/> shortly before the meeting date. All participants are encouraged to review the interim reports before the meeting.

For Further Information Contact:

Substantive program information as well as summaries of meetings and a roster of committee members may be obtained from Ms. Upchurch at the address above; or Marjorie S. Greenberg, Executive Secretary, NCVHS, National Center for Health Statistics, Centers for Disease Control and Prevention, Room 1100, Presidential Building, 6525 Belcrest Road, Hyattsville, Maryland 20782, telephone (301) 458–4245. Information also is available on the NCVHS home page of the HHS website: <http://www.ncvhs.hhs.gov/> where an agenda for the meeting will be posted when available.

Dated: June 7, 2000.

James Scanlon,

Director, Division of Data Policy, Office of the Assistant Secretary for Planning and Evaluation.

BILLING CODE 4151–05–M

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Toxic Substances and Disease Registry

[Program Announcement 00126]

Neurodevelopmental Test Methods Research; Notice of Availability of Funds

A. Purpose

The Agency for Toxic Substances and Disease Registry (ATSDR) announces the availability of fiscal year (FY) 2000 funds for a grant program for Neurodevelopmental Test Methods

Research. This program addresses the “Healthy People 2010” focus area of Environmental Health. For the conference copy of the “Healthy People 2010.” visit the internet site: <http://www.health.gov/healthypeople>.

The purpose of the program is to determine and validate a battery of neurodevelopmental tests for use in assessing the effects of prenatal or postnatal exposure to developmental toxicants. The battery of tests should: (1) be applicable to a wide range of potential neurodevelopmental toxicants found at waste sites and in the environment including metals and solvents; (2) be applicable to a wide range of exposure levels found in the environment; and (3) cover a broad range of developmental domains including cognitive function, sensory function, motor function, and complex multi-tasking performance. These research methods will address an agency goal to develop methods and tools for evaluating human health consequences from exposure to toxic substances in the environment.

B. Eligible Applicants

Applications may be submitted by official public health agencies of the States, or their bona fide agents. This includes the District of Columbia, American Samoa, the Commonwealth of Puerto Rico, the Virgin Islands, the Federated States of Micronesia, Guam, the Northern Mariana Islands, the Republic of the Marshall Island, the Republic of Palau, federally-recognized Indian tribal governments, public and private non-profit and for profit universities, colleges, and research institutions.

Note: Public Law 104–65 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan, or any other form.

C. Availability of Funds

Approximately \$100,000 is available in Fiscal Year 2000 to fund one award. It is expected to begin on or about September 30, 2000, and will be made for a 12-month budget period within a project period of up to 3 years. Funding estimates may change.

Continuation awards within the project period will be made on the basis of satisfactory progress as evidenced by required reports and the availability of funds.

Use of Funds

Funds may be expended for reasonable program purposes, such as

personnel, travel, supplies and services. Funds for contractual services may be requested; however, the grantee, as the direct and primary recipient of ATSDR grant funds, must perform a substantive role in carrying out project activities and not merely serve as a conduit for an award to another party or provide funds to an ineligible party. Equipment may be purchased with grant funds. However, the equipment proposed should be appropriate and reasonable for the research activity to be conducted. Property may be acquired only when authorized in the grant. The grantee, as part of the application process, should provide a justification of need to acquire property, the description, and the cost of purchase versus lease.

D. Program Requirements

Applicant will conduct studies to develop and validate a battery of neurodevelopmental tests for use in assessing the effects of prenatal or postnatal exposure to developmental neurotoxicants. Investigations of adverse health effects in developing organisms that are attributable to neurotoxicant exposure require measures that are sensitive across a wide range of exposure levels.

The study should include children at risk for the kinds of performance deficits these tests endeavor to measure, e.g., low birth weight children (<1000 grams), and/or children diagnosed as learning-disabled. Such a study will determine the ability of these tests and procedures to identify analogous deficits hypothesized to arise from developmental exposure to methylmercury and other neurotoxicants. Those components of the test battery that demonstrate validity, i.e., prove successful at differentiating these children from a referent group of children, will then be incorporated into future studies of possible developmental neurotoxicants. Applicants should have primary access to data in children which can be used to facilitate the validation step.

The applicant will establish an ad hoc advisory group for the study. A major purpose of the group will be to provide advice on developing and distributing educational materials on the use and application of this test battery to a broad spectrum of health professionals.

E. Application Content

Use the information in the Program Requirements, Other Requirements, and Evaluation Criteria sections to develop the application content. Your application will be evaluated on the criteria listed, so it is important to
