 OMB No. 0990-0460—Office of Adolescent Health.

Abstract: The Office of Adolescent Health seeks a revision of the Pregnancy Assistance Fund (PAF) performance measures data collection. A new cohort of 23 PAF grantees was funded in 2018. PAF provides funding to States and Tribes to provide expectant and parenting teens, women, fathers and their families with a seamless network of supportive services to help them complete high school or postsecondary degrees; and to help states improve services to expectant females who experience intimate partner violence or stalking. Additional measures have been proposed for addition to the existing menu of approved measures. A 3 year clearance period is requested. The respondents would be the 23 state and tribal entities receiving PAF awards in 2018. Data would be collected annually.
