

Parties seeking to nominate themselves as potential panelists in the workshop must notify the FTC in writing of their interest in participating on or before Wednesday, April 12, 2006. Requests to participate as workshop panelists should refer to "Mortgage Workshop—Panelist Participation Request." A request to participate filed in paper form should include this reference both in the text and on the envelope, and should be mailed or delivered to the following address: Mortgage Workshop, c/o Julie Bush, FTC, 601 New Jersey Avenue, NW., Mail Stop NJ-3158, Washington, DC 20580. If the request to participate contains any material for which confidential treatment is requested, it must be filed in paper (rather than electronic) form, and the first page of the document must be clearly labeled "Confidential."¹ The FTC prefers that any request to participate filed in paper form be sent by courier or overnight service, if possible, because U.S. postal mail in the Washington area is subject to delay due to heightened security precautions. Please include an original and two copies of each document submitted in paper form.

In the alternative, parties may e-mail requests to participate as workshop panelists (except requests containing any confidential material) to mortgageworkshop@ftc.gov and should caption them: "Mortgage Workshop—Panelist Participation Request."

Requests to participate as workshop panelists should include the following information:

- (1) A brief biographical description, including name and affiliation;
- (2) A statement setting forth the potential panelist's expertise in or knowledge of one or more issues likely to be addressed by the workshop;
- (3) A list of the topic(s) that the potential panelist would like to address, and a one-paragraph summary of the potential panelist's unique perspective or knowledge of each such topic; and
- (4) Contact information, including a daytime telephone number, facsimile number, and e-mail address (if available).

Parties filing requests to participate as workshop panelists will be notified

¹ Commission Rule 4.2(d), 16 CFR 4.2(d). The request to participate must be accompanied by an explicit request for confidential treatment, including the factual and legal basis for the request, and must identify the specific portions of the request to participate to be withheld from the public record. The request for confidential treatment will be granted or denied by the Commission's General Counsel, consistent with applicable law and the public interest. See Commission Rule 4.9(c), 16 CFR 4.9(c).

whether they have been invited on or before Wednesday, April 26, 2006.

More information, including routine uses permitted by the Privacy Act, may be found in the FTC's privacy policy, at <http://www.ftc.gov/ftc/privacy/htm>.
