SUPPLEMENTARY INFORMATION:

I. Background

The Health Insurance Portability and Accountability Act of 1996 (HIPAA), codified as Part 7 of Title I of the Employee Retirement Security Act of 1974 (ERISA), was enacted to improve the portability and continuity of health care coverage for participants and beneficiaries of group health plans. In the interest of assuring compliance with Part 7, section 101(g) of ERISA, added by HIPAA, (the Secretary) to require multiple employer welfare arrangements (MEWAs), as defined in section 3(40) of ERISA, to report to the Secretary in such form and manner as the Secretary might determine. The Department published a final rule providing for such reporting on an annual basis, together with a form (Form M-1) to be used by MEWAs for the annual report. The reporting requirement enables the Secretary to determine whether the requirements of Part 7 of ERISA are being carried out. EBSA submitted an ICR for the information collection in Form M-1 to the Office of Management and Budget (OMB) for review and clearance in connection with publication of the final rule, and OMB approved the information collection under OMB control number 1210-0116. This

approval is scheduled to expire on January 31, 2007. After considering any comments received in response to this notice, EBSA intends to submit an ICR to OMB to request continuing approval. The public is not required to respond to an information collection unless it displays a valid control number. No change to the existing ICR is being proposed or made at this time.

II. Desired Focus of Comments

The Department is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., by permitting electronic submission of responses.

III. Current Action

This notice requests comments on an extension of OMB's approval of the information collection included in Form M-1. The Department is not proposing or implementing changes to the existing ICR at this time. A summary of the ICR and the current burden estimates follows:

Type of Review: Extension of a currently approved collection of information.

Agency: Employee Benefits Security Administration, Department of Labor.

Title: Annual Report for Multiple Employer Welfare Arrangements and Certain Entities Claiming Exception (Form M-1).

OMB Number: 1210-0116.

Affected Public: Business or other for-profit; Not-for-profit institutions.

Respondents: 741.

Frequency of Response: Annually.

Responses: 3,718.

Estimated Total Burden Hours: 2,336.

Total Burden Cost (Operating and Maintenance): \$143,650.

SUPPLEMENTARY INFORMATION:

I. Background

Section 503 of ERISA requires each employee benefit plan to provide, pursuant to regulations promulgated by the Secretary of Labor, notice in writing to any participant or beneficiary whose claim for benefits under the plan has been denied. The notice must set forth the specific reasons for the denial and must be written in a manner calculated to be understood by the claimant. Plans must also give a participant or beneficiary whose claim has been denied a reasonable opportunity to obtain a full and fair review of any benefit claim denial by the appropriate named fiduciary.

The Department issued a regulation pertaining to benefit claims procedures in 1977 and amended that regulation in a Notice of Final Rulemaking (NFRM) published on November 21, 2000 (65 FR 70246). The regulation pertaining to benefit claims procedures is codified at 29 CFR 2560.503-1. The regulation requires plans to establish reasonable claims procedures that meet specified standards governing the timing and content of notices and disclosures.
