BILLING CODE P

DEPARTMENT OF COMMERCE

International Trade Administration

[A–570–135]

Certain Chassis and Subassemblies Thereof From the People's Republic of China: Final Affirmative Determination of Sales at Less Than Fair Value

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that certain chassis and subassemblies thereof (chassis) from the People's Republic of China (China) are being, or are likely to be, sold in the United States at less than fair value (LTFV). The period of

investigation (POI) is January 1, 2020, through June 30, 2020.

DATES: Applicable May 17, 2021.

FOR FURTHER INFORMATION CONTACT: Hermes Pinilla or Mary Kolberg, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3477 or (202) 482–1785, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 4, 2021, Commerce published its *Preliminary Determination* in the antidumping duty investigation of chassis from China.¹ A summary of the events that occurred since Commerce published the *Preliminary Determination*, as well as a full discussion of the issues raised by parties for this final determination, may be found in the Issues and Decision Memorandum.²

Period of Investigation

The POI is January 1, 2020, through June 30, 2020.

Scope of the Investigation

The products covered by this investigation are certain chassis and subassemblies thereof from China. For a full description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the preamble to Commerce's regulations,³ the *Initiation Notice* set aside a period of time for parties to raise issues regarding product coverage (*i.e.*, scope).⁴ Certain interested parties commented on the scope of the investigations as they appeared in the *Initiation Notice* and we addressed these comments in the Preliminary Scope Decision Memorandum.⁵

¹ See *Certain Chassis and Subassemblies Thereof from the People's Republic of China: Preliminary Affirmative Determination of Sales at Less Than Fair Value*, 86 FR 12616 (March 4, 2021) (*Preliminary Determination*), and accompanying Preliminary Decision Memorandum (PDM).

² See Memorandum, “Certain Chassis and Subassemblies Thereof from the People's Republic of China: Decision Memorandum for the Final Affirmative Determination of Sales at Less-Than-Fair-Value,” dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

³ See *Antidumping Duties; Countervailing Duties, Final Rule*, 62 FR 27296, 27323 (May 19, 1997).

⁴ See *Certain Chassis and Subassemblies Thereof from the People's Republic of China: Initiation of Less-Than-Fair-Value Investigation*, 85 FR 52552 (August 26, 2020) (*Initiation Notice*).

⁵ See Memorandum, “Certain Chassis and Subassemblies Thereof from the People's Republic of China: Scope Comments Preliminary Decision

modifying the scope of this and the companion countervailing duty (CVD) investigation. Specifically, we removed individual components from the definition of in-scope subassemblies and added language to clarify that the individual components that enter separately are not covered by the scope of these investigations. We established a period for parties to address issues in scope case and rebuttal briefs.⁶ We received scope comments and addressed them in the Final Scope Decision Memorandum.⁷

Analysis of Comments Received

All issues raised in the case briefs and rebuttal briefs submitted by interested parties in this proceeding are discussed in the Issues and Decision Memorandum. A list of the issues raised by parties and responded to by Commerce is attached to this notice as Appendix II. The Issues and Decision Memorandum is a public document and is available electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>.

Changes Since the Preliminary Determination

Pursuant to section 772(c)(1)(C) of the Act, Commerce normally adjusts the dumping margin for countervailable export subsidies. In the *Preliminary Determination*, we determined a countervailable export subsidy rate of 5.77 percent *ad valorem* based on the export buyer's credit. However, for the final determination of the concurrent CVD investigation, Commerce adjusted its calculation of the export subsidy rate because we determined that CIMC benefitted from several subsidy programs contingent on exports totaling 11.00 percent *ad valorem* for the China-wide entity. Accordingly, Commerce adjusted the calculated estimated weighted-average dumping margin for this investigation by the offset.⁸

Memorandum,” dated February 9, 2021 (Preliminary Scope Decision Memorandum).

⁶ See Preliminary Scope Decision Memorandum.

⁷ See Memorandum, “Antidumping and Countervailing Duty Investigations of Certain Chassis and Subassemblies Thereof from the People's Republic of China: Scope Comments Decision Memorandum for the Final Determinations,” dated March 15, 2021 (Final Scope Decision Memorandum).

⁸ The export subsidy rate determined in the final determination of the companion CVD investigation is 11.00 percent. See *Chassis and Subassemblies*
