Pursuant to Section 122(d) of CERCLA, 42 U.S.C. 9622(d), and 28 CFR 50.7, notice is hereby given that on December 12, 2005, a proposed Consent Decree ("Decree") in *United States v. Atlas Tack Corp., et al.*, No. 03-CV-11601 WGY, *Atlas Tack Corp. v. Town of Fairhaven*, No. 01-CV-10501 WGY, and *United States v. Atlas Tack Corp., et al.*, No. 04 CV 11880 WGY, was lodged with the United States District Court for the District of Massachusetts.

In these actions, the United States, on behalf of the United States Environmental Protection Agency ("EPA"), sought to recover from the Atlas Tack Corporation ("Atlas") and from its President, M. Leonard Lewis, the costs incurred or to be incurred by the United States in connection with the Atlas Tack Corporation Superfund Site located in Fairhaven, Massachusetts. In related litigation (which was consolidated with the United States' action), Atlas brought a contribution claim against the Town of Fairhaven ("Town"). Both Atlas and M. Leonard Lewis filed contribution counterclaims against the United States Army Corps of Engineers ("Corps"). The United States also filed a separate action against Atlas and M. Leonard Lewis seeking access to the Site and penalties for their failure to provide access to the Site.

The proposed Decree settles all the claims brought by the United States against Atlas and M. Leonard Lewis and also settles the contribution claims filed by Atlas against the Town and by Atlas and M. Leonard Lewis against the Corps. Pursuant to the Decree, Atlas and M. Leonard Lewis will pay the United States \$2,335,000 in installments over a two-year period. In addition, Atlas has agreed to sell the property that it owns at the Site (the "Property") and to pay the United States 95% of the net proceeds from the sale. Alternatively, Atlas can retain ownership of the Property and pay to the United States 95% of its fair market value. The Town has agreed to pay to the United States unpaid real estate taxes it collects with respect to the Property that are in excess of \$80,000. The Corps has agreed to pay \$50,000 to the Superfund.
