ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 271

[EPA-R08-RCRA-2009-0341; FRL-8940-9]

Colorado: Final Authorization of State Hazardous Waste Management Program Revisions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The state of Colorado has applied to EPA for final authorization of changes to its hazardous waste program under the Resource Conservation and Recovery Act (RCRA). EPA proposes to grant final authorization to the hazardous waste program changes submitted by the state of Colorado. In the "Rules and Regulations" section of this **Federal Register**, EPA is authorizing the changes in an

immediate final rule. EPA did not propose the rule prior to issuing the immediate final rule because the Agency believes this action is not controversial and does not expect comments that oppose it. We have explained the reasons for this authorization in the preamble to the immediate final rule. Unless we receive written comments that oppose this authorization during the comment period, the immediate final rule will become effective on the date it establishes, and EPA will not take further action on this proposal. If the Agency receives comments that oppose this action, EPA will publish a document in the **Federal Register** withdrawing this rule before it takes effect. EPA will then address public comments in a later final rule based on this proposal. Any parties interested in commenting on this action must do so at this time. EPA may not provide further opportunity for comment.

DATES: Comments must be received on or before September 11, 2009.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R08-RCRA-2009-0341, by one of the following methods:

Instructions: Direct your comments to Docket ID No. EPA-R08-RCRA-2009-0341. EPA's policy is that all comments received will be included in the public docket without change, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information, the disclosure of which is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov>, or e-mail. The federal Web site <http://www.regulations.gov> is an "anonymous

access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you e-mail your comment directly to EPA rather than going through <http://www.regulations.gov>, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties, and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters or any form of encryption, and be free of any defects or viruses.
