SUPPLEMENTARY INFORMATION:

I. Background

On July 31, 2014, (79 FR 44494), MSHA published a proposed rule, to amend its civil penalty regulation to simplify the criteria, which will promote consistency, objectivity, and efficiency in the proposed assessment of civil penalties and facilitate the resolution of enforcement issues. The proposal would place a greater emphasis on the more serious safety and health conditions and provide improved safety and health for miners. MSHA is also proposing alternatives that would address the scope and applicability of its civil penalty regulation.

The comment period was scheduled to close on September 29, 2014. MSHA extended the comment period until December 3, 2014 (79 FR 55408) in response to commenters.

II. Public Hearings

In response to requests from the public, MSHA will hold two public hearings on the proposed rule to provide the public an opportunity to present their views on this rulemaking. The public hearings will begin at 9 a.m. and end no later than 5 p.m., or earlier if the last person presenting testimony has spoken. MSHA is holding the hearings on the following dates at the locations indicated:

Tuesday, December 9, 2014	Courtyard by Marriott Denver Downtown, 934 16th Street, Denver, CO 80202	303-571-1114

The hearings will begin with an opening statement from MSHA, followed by oral presentations from members of the public. Persons and organizations wishing to speak are encouraged to notify MSHA in advance for scheduling purposes. MSHA requests that parties making presentations at the hearings submit them no later than five days prior to the hearing. Testimony, presentations, and accompanying documentation will be included in the rulemaking record.
