

comments electronically should not submit paper copies.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Abstract: In July and August 2006, the Regional Educational Laboratory Northwest (REL-NW) hosted a series of forums with educators in the five states REL-NW serves to discuss the types of evidence educators need to improve student achievement. This project is a follow-up survey with teachers, principals, and district superintendents in Washington, Oregon, Idaho, Montana and Alaska to prioritize the evidentiary needs for improving student learning. Findings from the study will aid in setting the research agenda for REL-NW.

Minority Science and Engineering Improvement Program

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice of intent to fund down the grant slate for the Minority Science and Engineering Improvement Program.

SUMMARY: The Secretary intends to use the grant slate developed for the Minority Science and Engineering Improvement Program in Fiscal Year (FY) 2006 to make new grant awards in FY 2007. The Secretary takes this action because a significant number of high-quality applications remain on last year's slate, and limited funding is available for new grant awards in FY 2007.
