Item I—Ombudsman for Indefinite-Delivery Contracts (FAR Case 2017–020)

DoD, GSA, and NASA are issuing a final rule amending the Federal Acquisition Regulation (FAR) to implement a new clause for use in multiple-award indefinite-delivery indefinite-quantity (IDIQ) contracts that identifies the agency task-order and delivery-order ombudsman’s responsibilities and contact information. This rule implements a standardized method to provide the requisite information to contractors via a single contract clause for use by all agencies. This rule intends to minimize the impact on contractors resulting from the variety of ways in which task-order and delivery-order ombudsman information is communicated by agencies.

Item II—Technical Amendments

Editorial changes are made at FAR 1.201–1 and 52.246–21.
